ACCURACY STATEMENT

The Los Angeles Community College District and Pierce College have made every effort to make this catalog accurate and may, without notice, change general information, courses, or programs offered. The reasons for change may include student enrollment, level of funding, or other issues decided by the district or college. The district and college also reserve the right to add to, change, or cancel any rules, regulations, policies and procedures as provided by law.

EQUAL OPPORTUNITY POLICY/PROHIBITED DISCRIMINATION AND HARASSMENT

All programs, activities, services, and employment of the Los Angeles Community College District (LACCD) and Pierce College shall be operated in a manner which is free of discrimination and harassment on the basis of race, color, national origin, ancestry, religion, creed, sex, pregnancy, marital status, medical condition (cancer related), sexual orientation, age, disability, or veterans status (LACCD Board Rules, 15001-15022). Please direct inquiries or complaints to Gene Little, LACCD Director of Diversity Programs, at (213) 891-2317. Additional information may be obtained by emailing diversityprograms@laccd.edu.

AMERICANS WITH DISABILITIES ACT (ADA) AND CALIFORNIA STATE LAW

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990, the Fair Employment & Housing Act (FEHA), Government Code Section 11135, and other applicable codes, the Los Angeles Community College District and Pierce College do not discriminate against individuals on the basis of disability in its services, programs, or activities.

In order to ensure that people with disabilities have an equal opportunity to participate in all of its programs, services, and activities, Pierce College will make reasonable modifications to policies and practices, as well as, provide appropriate aids and services leading to effective communication, including sign language interpreters, documents in Braille and other alternate formats to ensure information is accessible to people who have speech, hearing, vision, or cognitive impairments.

Anyone who requires auxiliary aides and services for effective communication, or a modification of policies or procedures should communicate with the responsible department or event contact as soon as possible, but no later than three days before the scheduled event. No surcharge will be placed to cover the cost of providing auxiliary aids or making reasonable modifications to create access.

In terms of employment, Pierce College does not discriminate on the basis of disability in its hiring or employment practices and will comply with the Fair Employment and Housing Act, as well as, the ADA Title I including the regulations promulgated by the U.S. Equal Employment Opportunity Commission (EEOC) and the requirement to provide reasonable accommodation.

The Office of Diversity, Equity, and Inclusion at LACCD has been designated to coordinate the College’s compliance with the ADA and with sections 504 and 508 of the Rehabilitation Act of 1973. Neither the ADA, nor state law, requires Pierce College to take action that would fundamentally alter the nature of its programs, activities or services or impose an undue financial or administrative burden.

Los Angeles Pierce College and the Los Angeles Community College District are fully committed to being in compliance with the Americans with Disabilities Act (ADA) and California State Law. As part of the compliance, Paul Nieman has been named the College ADA Coordinator for LAPC to coordinate compliance with the non-discrimination requirements contained in the Department of Justice regulations implementing Subtitle A of Title II of the ADA (42 U.S.C. 12131), which prohibits discrimination on the basis of disability by public agencies and Section 504 of the Rehabilitation Act, as well as California disability laws and regulations. You may contact Paul Nieman for all ADA accommodation requests from Staff, Faculty, and the Public:

## Admissions – Who Can Attend Pierce College?

### You may attend Pierce College if:

- You have graduated from high school or have successfully passed the California High School Proficiency Examination, or
- You are over 18 years of age and are no longer attending high school and are capable of profiting from the instruction offered, or
- You are under 18 years of age and not a high school student, with special permission as a full-time student, or
- **CONCURRENT ENROLLMENT AT PIERCE COLLEGE AND HIGH SCHOOL**
  As a high school student you may enroll concurrently at Pierce College. In addition to the application for admission, you must submit a separate Concurrent Enrollment for Students in Grades K-12 form, approved by your high school counselor and your parents. Students in less than 9th grade require special processing. Call (818) 710-4212 for details. Concurrent students are given the last priority for registration.

### How do I apply for admission?

- Online applications begin October 1, 2016. Submit your application as early as possible. The earlier your application, the earlier your registration appointment and the greater your selection of classes. There is no charge for filing an application.
- For the earliest registration appointment, submit your application online at www.piercecollege.edu.
- If you are applying to the college as an F-1 Visa International Student, you can download the application online at: http://www.piercecollege.edu/offices/international_students/. The application and all supporting documents must be submitted in-person or via mail/courier to the International Student Admissions Office which is located on the first floor of the Student Services Building.
  Picture ID is required for all transactions. Every student will be assigned a student ID number and a Student.LACCD.edu email when they apply. This email will be the official notification used for the District. Providing your Social Security Number is optional. It is only required for students applying for financial aid and for students (or their parents) who will be eligible for student tax credits. The Admissions and Records Office is located in the Student Services Building. Office hours: 8:30 a.m. - 6:30 p.m. Monday through Thursday, and 8:30 a.m. - 12:00 p.m. on Friday.

### What are the residence requirements?

- To attend any of the Los Angeles Community Colleges as a resident of California, a student is required to have been a California resident for a year and a day prior to the start of the semester.
- If you are not a citizen of the United States you may meet the residency requirement depending on your status with United States Citizenship and Immigration Service (USCIS), length of time residing within the state of California, and other factors. Determination of residence status will be made at the time you file your application. If you request a change of residency determination, it needs to be completed prior to the beginning of the term you are to enroll. Please bring with you original copies of all relevant USCIS documents.
- Non-resident students applying for reclassification as residents must also show financial independence for the past three years.
- A non-resident student from another country is charged non-resident tuition of $243 per unit.
- A non-resident student from another state is charged non-resident tuition of $243 per unit.
- All non-residents must also pay the $46 per unit enrollment fee. This fee is subject to change.
- Non-resident fees may be waived for graduates of California high schools under certain conditions. (See white insert for AB540 petition)
- Beginning Summer 2009 non-resident fees are no longer automatically waived in the Los Angeles Community College District. You can submit a tuition waiver request available on our website at www.piercecollege.edu.
- Students in the Foster Youth may qualify for In State residency with Assembly Bill 669.
  The DEADLINE to change your residency status (WITH the Supplemental Residency Questionnaire AND supporting documents) from non-resident to resident is available on the website at http://www.piercecollege.edu/admissions/

Enrollment Process – How To Register

**New Students**
You are a NEW student if this is your first time to ENROLL in classes or you have not been active in a class for over a year.

1. Complete Application
To receive the earliest possible registration appointment, apply online at www.piercecollege.edu. International students must complete their admissions process through the International Students Office. Concurrent high school students must also submit a completed Concurrent Enrollment Permission form.

2. Financial Aid
Apply for financial aid online at www.fafsa.gov every year. The Free Application for Federal Student Aid (FAFSA) is available on January 1st of each year. We recommend that the FAFSA be completed and submitted before March 2nd each year to be considered in priority application deadline. If students apply after March 2nd, we still encourage students to apply, however funding for other financial aid programs are limited.

3. Assessment
Complete the English or English as a Second Language (ESL) and Mathematics placement process. This process helps place you in classes where you are most likely to succeed. You should complete the assessment process as early as possible. All sample tests can be downloaded from the internet, including English, Math and Chemistry exams, at www.piercecollege.edu/students/assessment_center/. You may view your placement results online, usually within 3-5 business days, by logging into the Student Information System. Test scores and/or course work from other colleges might be used in place of the Pierce Assessment if accepted by the Assessment Center. Questions? Contact the Assessment Center at (618) 719-6499.

4. On-line Orientation
You must complete the on-line orientation at www.piercecollege.edu. If you have additional questions, see a counselor.

5. Registration
You will receive your registration appointment by e-mail when you apply online. You may register for your classes online. Complete instructions can be found on the registration section of the web and in the on-line orientation.

6. Payment
Payment is due when you register. You may pay with cash, check, or credit card. A hold will be placed on your record if you do not pay when you register. A Registration/Fee Receipt and a Pierce College picture ID card will be issued to you when payment is made. If you pay by web or mail, you may pick up your picture ID in the College Services Building.

**Continuing Students**
You are a CONTINUING STUDENT if you were active in classes during either the previous Fall or Spring semester.

1. Registration Materials
Continuing students will receive an email with their priority online registration appointments for registration during the month before finals. Your priority registration appointment is also available on the Pierce website student information system.

2. Financial Aid
Apply for financial aid online at www.fafsa.gov every year. The Free Application for Federal Student Aid (FAFSA) is available on January 1st of each year. We recommend that the FAFSA be completed and submitted before March 2nd each year to be considered in priority application deadline. If students apply after March 2nd, we still encourage students to apply, however funding for other financial aid programs are limited.

3. Assessment
You may need to meet certain course prerequisites prior to registration. Check individual course requirements. All sample tests can be downloaded from the internet, including English, math and chemistry exams.

4. Counseling/Prerequisites
See a Counselor well in advance of registration. Check the Counseling website to schedule an appointment. Bring proof of prerequisite courses completed at other colleges to the Assessment Center Counseling Office in the Student Services Building.

5. Registration
Use your priority registration appointment to register online. Write down and save your confirmation numbers.

6. Payment
Payment is due when you register. You may pay with cash, check, or credit card. You may pay online by using a credit card. A hold will be placed on your record if you do not pay when you register. If you pay on line or by mail, you must pick up your registration/fee receipt and parking permit on campus at the Business Office.

PIERCE COLLEGE WILL NO LONGER BE MAILING REGISTRATION/FEE RECEIPTS AND PARKING PERMITS TO STUDENTS BEGINNING WINTER 2010. STUDENTS MUST COME TO THE COLLEGE BUSINESS OFFICE TO PICK UP THEIR RECEIPTS AND PARKING PERMITS.

ALL SCHOOL FEES MUST BE PAID IN FULL BEFORE PARKING PERMITS CAN BE PURCHASED

The Business Office will only print out a schedule of classes for those who have paid their registration fees IN FULL.

Please note that a $10 returned check charge is assessed for a check returned to the Business Office unpaid by the bank for any reason. A stop payment order on a check does not constitute an official withdrawal nor does it release the student's financial obligation for the fees. A student with an unpaid financial obligation will not be able to register for subsequent semesters.
Enrollment Process – How To Register

Important For All Students

Once the semester begins, here’s how to:

Adding Classes

Only students who have been admitted to the college and are in approved active status may add or attend classes.

Admitted students who wish to add a class once the semester begins must obtain an add card from the instructor. It is the student's responsibility to have the add processed before the last day to add, which is listed in the college semester calendar. Please be prepared to pay any additional fees when adding classes.

Pierce College does not utilize a wait list system. The system allows students to enroll in a course through the online registration portal, on a first-come first-served basis, the moment a seat becomes available in the course due to a student dropping out. This option, however, is only available until the day before classes begin. After that, interested students will need to attend the first day of class and the instructor will give them a signed add card should there be room in the class to add the student.

Cancelled Classes

The College reserves the right to discontinue any class with insufficient enrollment. If a class has been cancelled you will be notified on the internet system when you attempt to register. If a class is cancelled after you have enrolled, you will be notified by email.

Drop a Class

• Students wishing to drop classes must do so through the registration system, at the Pierce website

• It is the student's responsibility to officially drop from class by the Pierce website. Students must drop by the end of the second week of semester-length classes to avoid fees. Any drops or exclusions that occur after the no penalty drop date (under last day to drop without a “W”) and up to 75% of the time the class is scheduled will result in a “W” on the student's record which will be included in the determination of progress probation. Withdrawals are not permitted beyond 75% of class meeting time.

A grade (A, B, C, D, F, P, INC, or NP) will be assigned to students who are enrolled past the last day to drop even if they stop attending class, except in cases of extenuating circumstances. After the last day to drop students may withdraw from class upon petition demonstrating extenuating circumstances and after consultation with the appropriate faculty.

• Short-term classes have different drop deadlines. Check with the class instructor or the Admissions Office.

Audit a Class

• Payment of a fee of $15 per unit. Fees may not be refunded or transferred. Students enrolled in classes to receive credit for ten or more semester units shall not be charged a fee to audit three or fewer semester units per semester.

• Students auditing a course shall not be permitted to change their enrollment in that course to receive credit for the course.

• Priority in class enrollment shall be given to students desiring to take the course for credit.

• Permission to enroll in a class on an audit basis is at the instructor's discretion.

• Participation in class activities by student auditors will be solely at the discretion of the instructor, who may provide a written statement of the extent of participation allowed beyond observation.

• Concurrently enrolled high school students must pay any audit fees.

• Financial aid does not cover auditing.

• Audit enrollments must be processed in the Admissions Office by the last day to add.

STUDENTS WHO FAIL TO ATTEND THE FIRST CLASS MEETING MAY FORFEIT THEIR PLACE IN THE CLASS.

College Admissions & Business Office Hours

You Deserve Success Right From the Start
Pierce’s Matriculation Program is Here for You.

| What is Matriculation? | Matriculation is a process designed to assist students in achieving their educational goals at Pierce College. It is an agreement between the college and the students. Pierce College agrees to provide an organized process of orientation, assessment, counseling/advisement and student progress follow-up. The student agrees to declare a specific educational objective, attend class and complete assigned coursework, and maintain satisfactory progress toward the achievement of his/her educational goal. |

Matriculation is for students.

Take advantage of these opportunities:

1. ASSESSMENT:
The English and mathematics placement process helps place students in classes where they are most likely to succeed. Assessment is expected of all students wishing to enroll in English or mathematics classes.

2. ON-LINE ORIENTATION:
Completion of our on-line orientation is essential for all new students. You can access the orientation via the Pierce College homepage at www.piercecollege.edu. You will find information on the programs we offer, transfer requirements, academic planners, and student services here on campus. Please use this as a resource throughout your time here at Pierce.

3. COUNSELING:
The Counseling Department can help you with your educational plan, major, transfer and career exploration. We also offer personal counseling. Check the Counseling website to schedule an appointment.

4. FOLLOW-UP:
After enrolling for the first semester, students will continue to receive follow-up services through the Counseling Department, Career Center, and Early Alert Program. Five weeks into each semester, Early Alert letters will be mailed directly to each student's home. These letters will provide students with academic progress information.

For information or questions regarding the Matriculation Program, contact the Assessment Office in the Student Services Building at (818) 719-6499.
Pierce College Policy on Prerequisites, Corequisites, Recommended Preparation, and Limitations on Enrollment

The faculty has identified knowledge and skills that are necessary for success in certain classes. At registration, students need to determine if any courses require previous knowledge. The catalog and schedule of classes use four terms to show if such knowledge is required:

**PREREQUISITE:** means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program (i.e., a course that must be passed with a grade of “C” or better, or a requirement that must be met before enrolling in a given course). Students will not be permitted to enroll in such courses and programs without the appropriate prerequisite.

**COREQUISITE:** is a condition of enrollment consisting of a course that a student is required to take simultaneously in order to enroll in another course (i.e., a course that must be taken at the same time as another course.)

**ADVISORY:** means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program (i.e., preparation that is helpful, but not required, before enrolling in a given course).

**LIMITATIONS ON ENROLLMENT:** a prerequisite necessary to protects a student's health and safety and the health and safety of others. (See prerequisite). Limitations on enrollment may also apply to certain courses (e.g., performance, honors, and special programs) if comparable courses are provided.

**Prerequisite Challenge Procedures**
A student may challenge a prerequisite or corequisite by filing a prerequisite challenge form. The reasons for seeking a challenge may include one or more of the following:

1. A prerequisite is not reasonably available.
2. The student believes the prerequisite is not valid or necessary for the success in the course for which it is required.
3. The student believes the prerequisite is discriminatory or being applied in a discriminatory manner.
4. The student has the documented knowledge or ability to succeed in the course without meeting the prerequisite.
5. The student believes it to be unfounded that he or she might cause a health or safety hazard.

The steps for filing a challenge are outlined below:

1. Obtain and complete a challenge form accompanied by all necessary documentation, from the Assessment Office (Student Services Building) or download from their website.
2. Return the completed form with documentation to the Assessment Office. A prerequisite challenge requires written documentation (e.g. proof of alternative course work, explanation of background or abilities which adequately prepare the student for the course, etc.) before it can be processed.
3. Return to the Assessment Office five (5) working days after filing a challenge for an answer.

Students with questions regarding filing a prerequisite challenge may contact the Assessment Office in the Student Services Building or call (818) 719-6499 for information or appeal procedures to the challenge process outlined above.

**Key to Transfer Credit Codes**

- **UC** This course is acceptable for credit at all University of California campuses.
- **†UC** The granting of transfer credit by a UC campus for directed study, fieldwork, or variable topics courses is contingent upon a review of the course outline AFTER transfer. A UC student must submit a petition to initiate this process. For further clarification, please consult a counselor.
- **CSU** This course is acceptable for credit at all California State University campuses.
- **NDA** Non-Degree Applicable. Some courses which are offered for college credit, but which cannot be applied toward graduation requirements for the Associate Degree are designated by the code NDA. (Please refer to the catalog.)
- **RPT** Number of times a course may be repeated for credit.

**Time/Day Codes**

- **Daily** Meets Monday through Friday.
- **TBA** Day and Hours to be arranged. See Instructor

**Corequisite:** A condition of enrollment consisting of a course that a student is required to take simultaneously in order to enroll in another course.

**Advisory:** A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

SEQUENCE OF ENGLISH COMPOSITION COURSES
The English department offers a sequence of classes designed to coincide with students’ reading and writing ability on entering college.

ENGLISH 1
This English fundamentals course concentrates on improvement of writing skills, particularly sentences and paragraphs, and reviews the basics of punctuation, spelling and sentence structure.

ENGLISH 28
This is the course designed to assist the student to make a successful transition to English 101. It emphasizes grammar, sentence structure, paragraph and essay writing.

ENGLISH 101
This is the composition course required for students who plan to transfer to a four year college. It emphasizes expository reading and essay writing, research techniques and semantics. Students in English 101 are expected to write well-organized, grammatically correct compositions of 700 words and more.

ENGLISH PLACEMENT PROCESS
The results of the English Placement Process or a valid English Enrollment Authorization Form must be on file in order to enroll in English 21, 28, English 82, 84-87, or English 101, 102, 103.

All students planning to enroll in an English course for the first time are expected to complete the English Placement Process at the Pierce College Assessment Center (Student Services Building). Visit the Assessment Center website to make an appointment and obtain sample test information. Placement results or prerequisite courses taken at other colleges may be presented to the Counseling Office to be substituted for the Pierce English Placement Process.

Upon completing the process, students are advised of their placement and given an authorization to enroll in a course other than that in which they have been placed must meet with an English Department advisor.

Students need to provide evidence of prerequisite completion either through coursework in the Los Angeles Community College District, by completing the Pierce College English Placement Process, or through transcripts from other schools presented at the Counseling Office.

STUDENTS WHO FAIL TO ATTEND THE First class meeting MAY FORFEIT THEIR PLACE IN THE CLASS.

MATHEMATICS PLACEMENT PROCESS:

Students who have not completed a college mathematics course must complete the Mathematics Placement Process at the Pierce College Assessment Center located in the Student Services Building. Visit the Assessment Center website to make an appointment and obtain sample tests. Review is highly recommended. Also, visit the Assessment Center website to sign up for the Assessment Prep Workshop Series

Placement tests are given at four levels: Algebra Readiness, Elementary Algebra, Intermediate Algebra, and Precalculus. Upon completing the process, students are advised of their recommended placement and given an authorization to enroll in
that course. Students who wish to challenge the recommendation of the assessment test should consult a Mathematics Department advisor.

Indicated prerequisites for mathematics courses are not waived on the basis of any assessment test scores.

**Note:** Please refer to the Mathematics Department website for details.

Information regarding special Math student success programs and pathways may be found at www.piercecollege.edu/departments/mathematics/mathsuccess.asp. Some sections require Internet access for homework.

Some sections require graphing calculators. A limited number of TI-83 and TI-84 calculators are available for rent from the department on a first-come, first-served basis. Go to MATH 1409C to get the rental form.

Information regarding specific course needs may be found on the instructor’s web page.

English Proficiency Recommendation

It is recommended that students whose native language is other than English be enrolled in ESL 87 before enrolling in Chemistry laboratory courses. Chemistry courses require good reading and writing skills. It is recommended that students be enrolled in or eligible for English 28 or higher before enrolling in any chemistry course.

CHEMISTRY 51

FUNDAMENTALS OF CHEMISTRY I

CHEMISTRY 101

GENERAL CHEMISTRY I
(CSUCS 5 UNITS)

(UC/CSU GE AREA B1 + B3 & IGETC AREA 5A + 5C)
Prerequisites: Chemistry 60 or its equivalent with a grade of "C" or better; Math 115 with a grade of "C" or better, or equivalent skill level demonstrated through the mathematics placement process.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

CHEMISTRY 101 PREPAREDNESS

Chemistry 101 is a challenging class that assumes some prior chemistry knowledge and laboratory experience in order to be successful. If a student doesn’t have such experience it is strongly recommended that they pass Chemistry 60 before attempting Chemistry 101.

Students wishing to take the Chemistry Readiness Challenge Exam should check the assessment center site at http://www.piercecollege.edu/offices/assessment_center/chemex.asp for dates and times. No appointment is necessary and check-in begins approximately 15 minutes prior to the start time at the assessment office located on the first floor of the Student Services Building. Bring your student ID, a pencil and a non-programmable calculator. More information on the exam can be found at the assessment center site above.

Note: The math prerequisite indicated above MUST be met in order to participate in the challenge process. If you have not met the math prerequisite you will not be allowed to take the exam. The challenge exam may only be taken once, so be prepared.

Faculty Advisor: Donna Accardo.

SEQUENCE OF ENGLISH COMPOSITION COURSES
The English department offers a sequence of classes designed to coincide with
students’ reading and writing ability on entering college.

ENGLISH 21
This English fundamentals course concentrates on improvement of writing skills,
particularly sentences and paragraphs, and reviews the basics of punctuation,
spelling and sentence structure.

ENGLISH 28
This is the course designed to assist the student to make a successful transi-
tion to English 101. It emphasizes grammar, sentence structure, paragraph and
essay writing.

ENGLISH 101
This is the composition course required for students who plan to transfer to a four
year college. It emphasizes expository reading and essay writing, research tech-
niques and semantics. Students in English 101 are expected to write well-orga-
nized, grammatically correct compositions of 700 words and more.

ENGLISH PLACEMENT PROCESS
The results of the English Placement Process or a valid English Enrollment
Authorization Form must be on file in order to enroll in English 21, 28, English 82,
84-87, or English 101, 102, 103.
All students planning to enroll in an English course for the first time are expected
to complete the English Placement Process at the Pierce College Assessment
Center (Student Services Building). Visit the Assessment Center website to make
an appointment and obtain sample test information. Placement results or prereq-
usite courses taken at other colleges may be presented to the Counseling Office
by students who wish to be substituted for the Pierce English Placement Process.
Upon completing the process, students are advised of their placement and given
an authorization to enroll in that course. Students seeking an explanation of their
scores or authorization to enroll in a course other than that in which they have been
placed must meet with an English Department advisor.

Students need to provide evidence of prerequisite completion either through
coursework in the Los Angeles Community College District, by completing the
Pierce College English Placement Process, or through transcripts from other
schools presented at the Counseling Office.
STUDENTS WHO FAIL TO ATTEND THE FIRST CLASS MEETING MAY FORFEIT
THEIR PLACE IN THE CLASS.

ENGLISH 21
ENGLISH FUNDAMENTALS

LEARNING SKILLS
Center for Academic Success.
Phone: 719-6414.
All Learning Skills courses will have mandatory orientations and assessments for the first two weeks of class, during which lab protocol and course expectations will be discussed.
All students enrolled in Learning Skills courses will be assessed in the subject area in which they are enrolled (math or English) and are expected to attend all sessions (both lab and lecture) in which they are enrolled.
Students enrolled in Learning Skills courses will be instructed in the use of computer assisted instructional programs and will be given a user ID and password for the program at this time.
The classes listed below may require payment of $5.00 for the cost of paper and ink supplies. Please check with your instructor to see if these instructional materials fees must be paid. After payment please provide a copy of the receipt of payment to your instructor.

### MATHEMATICS 115

#### ELEMENTARY ALGEBRA 5 UNITS

- **Prerequisite:** A grade of “C” or better in Mathematics 110 or 112, or appropriate skill level demonstrated through the Mathematics placement process.

### PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

- All sections of Math 115 will take the Math 115 MET Student Learning Outcomes assessment test on Saturday afternoon, 3:30-5:45 p.m., June 3, (room location TBA). Your instructor determines the score weight of the MET in your class.

### MATHEMATICS Placement Process:

- Placement tests are given at four levels: Algebra Readiness, Elementary Algebra, Intermediate Algebra, and Precalculus. Upon completing the process, you are advised of their recommended placement and given an authorization to enroll in that course. Students who wish to challenge the recommendation of the assessment test should consult a Mathematics Department advisor.

### Indicated prerequisites for mathematics courses are not waived on the basis of institutional guidelines. Mathematics Placement Process at the Pierce College Assessment Center located in the Student Services Building. Visit the Assessment Center website to make an appointment and obtain sample tests. Review is highly recommended.

- **Placement tests are given at four levels:**
  - Algebra Readiness
  - Elementary Algebra
  - Intermediate Algebra
  - Precalculus

### Information regarding special Math student success programs and pathways may be found at www.piercecollege.edu/departments/mathematics/mathsuccess.asp.

- For information regarding specific course needs, refer to the instructor’s web site at http://www.piercecollege.edu/directory_academic_dyn2.asp. Scroll down to the math department and find your on-line instructor. This class has an on-campus final exam on Friday, June 2, at 1:00 p.m. - 3:00 p.m. in a room TBA.

## Los Angeles Pierce College - Spring 2017 Schedule of Classes
Pathway Part I. To see if this pathway is right for you, see www.piercecollege.edu/departments/mathematics/asap.asp. Your instructor determines the score weight of the MET in preparation.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

Prerequisite: Mathematics 115** with a grade of “C” or better, or appropriate skill level demonstrated through the Mathematics placement process, and high school preparation.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

This is an on-line class (see instructor’s web site at http://www.piercecollege.edu/directory_academic_dyn2.asp). Scroll down to the math department and find your on-line instructor.
This is the second semester of a two-semester statistics pathway (see Proof of Eligibility Must Be Brought to the Counseling Office.

Prerequisite: Mathematics 228A with a grade of “C” or better, or equivalent high school preparation and appropriate skill level demonstrated through the Mathematics placement process.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

MATHEMATICS 227

STATISTICS

(CSU:CSU) 4 UNITS

(CSU GE AREA B4 • IGETC AREA 2A)

UC transfer limit: Mathematics 227, 228B and Statistics 1 combined: maximum credit, one course.

Prerequisite: Mathematics 125** with a grade of “C” or better, or equivalent high school preparation and appropriate skill level demonstrated through the Mathematics placement process.

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

MATHEMATICS 228A

STATISTICS PATHWAY I

5 UNITS

Prerequisite: A grade of “C” or better in Mathematics 110 or 112, or appropriate skill level demonstrated through the Mathematics placement process.

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

MATHEMATICS 228B

STATISTICS PATHWAY II

5 UNITS

(CSU GE AREA B4 • IGETC AREA 2A)

UC transfer limit: Mathematics 227, 228B and Statistics 1 combined: maximum credit, one course.

Prerequisite: Mathematics 228A with a grade of “C” or better.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

This is the second semester of a two-semester statistics pathway (see www.piercecollege.edu/departments/mathematics/statway.asp).

All sections of Math 228A will have a common final exam on Saturday morning, June 3, at 3:30 to 5:45 p.m. (room TBA).

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

MATHEMATICS 229

TRIGONOMETRY

(CSU:CSU) 3 UNITS

(CSU GE AREA B4)

Prerequisite: Mathematics 228A with a grade of “C” or better, or equivalent high school preparation and appropriate skill level demonstrated through the Mathematics placement process.

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

MATHEMATICS 230

PRECALCULUS

(CSU:CSU) 5 UNITS

(CSU GE AREA B4 • IGETC AREA 2A)

Prerequisite: Mathematics 228B with a grade of “C” or better, or equivalent high school preparation and appropriate skill level demonstrated through the Mathematics placement process.

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

MATHEMATICS 231

CALCULUS I

(CSU:CSU) 5 UNITS

(CSU GE AREA B4 • IGETC AREA 2A)

UC transfer limit: Mathematics 238 and 261 combined: maximum credit, one course.

Prerequisite: Mathematics 229** with a grade of “C” or better, or equivalent high school preparation and appropriate skill level demonstrated through the Mathematics placement process.

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

All sections of Math 230B will have a common final exam on Saturday afternoon, June 3, at 5 to 7:30 p.m. (room TBA).
MEDIA ARTS

Preerequisite: Mathematics 261** with a grade of “C” or better, or a score of 3 or more on the high school Advanced Placement Calculus AB Test.

PROOF OF ELIGIBILITY MUST BE BROUGHT TO THE COUNSELING OFFICE.

Note: A TI-83 or TI-84 graphing calculator is highly recommended for all sections of this course.

Students planning to enroll in any of the Photography classes need to provide their own Digital SLR camera. whichever camera you choose must have manual control of aperture, shutter speed and focus.

All photo classes at Pierce have laboratory requirements in VLGE 8300. The lab will have day and evening hours on weekdays. The exact hours will be posted. All lab classes have lab fees (except Photo 27).

Note: Sure your email address is updated at the LACCD Student Portal. The first week, students will be emailed instructions for a required assignment to complete a syllabus assignment to indicate they are active participants. You may contact the instructor at mcdonasd@piercecollege.edu if you do not receive the email.

All courses require a minimum 30% enrollment by add card only.

Spring 2017 Short-term Classes
(See Schedule of Classes for Details)

- New students wishing to enroll in short-term classes should file an application in the Admissions & Records Office, then register online.
- Continuing students may register online for any class not marked with an asterisk. Classes marked with an asterisk (*) are enrollment by add card only.
- To add a class that has already started, see the instructor at the next scheduled class meeting.
- Petitions for optional Pass/No Pass grading for eligible short-term classes will be accepted during the first two weeks of the class.

Some short-term classes are graded as Pass/No Pass only. See schedule listing for details.

Spring 2017 Off-Campus Offerings

High school satellite classes are open to all Pierce students.
Most satellite classes begin the week of February 6, 2017. High School holidays may differ from Pierce College holidays - see information for each campus below.
All schools will also schedule a “Back to School” and/or “Parent Conference” night. Students will be notified if these events result in their class(es) not meeting.
For information on how to register, please call Pierce College, Office of Academic Outreach: (818) 710-2887.

Student Information Guide
Courses Offered on a Pass/No Pass Basis

(Formerly credit/no credit)

The college offers courses which students may elect to take on a Pass/No Pass basis.

1. Students have the option of selecting Pass/No Pass only for those courses listed below.
2. Selection of courses to be taken on a Pass/No Pass basis must be made during the time indicated in the schedule of classes for the semester in which the course is taken. Late requests will not be accepted. Pass/No Pass grading petitions for short-term classes will be accepted during the first two weeks of the class.
3. Only one course per semester may be selected to be graded on a Pass/No Pass basis, (this does not include those courses in which all students are evaluated on a Pass/No Pass basis).

Courses Offered on a Credit-By-Exam Basis

Students interested in receiving course credit by taking an exam should file a petition for Credit-by-Exam in the Admissions & Records Office. Details of the procedure and qualification requirements are on the petition and can be found in the college catalog. Courses offered on a credit by exam basis are subject to all applicable enrollment fees and non-residents tuition.

# Advanced Placement Information

## Important Information

1. Pierce course credit is applicable to Pierce College Associate Degree major and/or certificate requirements only. Every college and university has its own policy for awarding credit for passed AP exams. Caution: TRANSFER STUDENTS must check with the college or university they plan to transfer to for the institution’s Advanced Placement policy.

The University of California Advanced Placement Policy can be found on their website: [http://admission.universityofcalifornia.edu/counselors/exam-credit/ap-credits/index.html](http://admission.universityofcalifornia.edu/counselors/exam-credit/ap-credits/index.html)

The California State University Advanced Placement Policy can be found on their website: [www.calstate.edu/app/general_education.shtml](http://www.calstate.edu/app/general_education.shtml)

Private institutions also have their own AP policies that must be researched. Consult a Pierce Counselor for help.

2. CSU GE Breadth Certification Plan and IGETC Applicability: This information represents how students who plan to transfer to a UC or CSU campus, and who are following either the CSU GE Breadth Certification Plan or the IGETC, may count passed AP exams toward fulfillment of subject areas on each of these plans. There is no relation between the credit awarded on these general education plans and the course credit that each UC and CSU campus may award. Further, there is no relation between the credit awarded on these general education plans and the course credit awarded by Pierce College (see below). Students must check with the individual campuses to determine if any course credit will be awarded. Caution: It is rare that colleges and universities will allow a passed AP exam to fulfill a course requirement that is needed for the major. Consult a Pierce Counselor for help.

CSU GE AP Policy: Complete details of the official CSU AP Policy can be found on CSU Chancellor’s website: [www.calstate.edu/app/general_education.shtml](http://www.calstate.edu/app/general_education.shtml)

IGETC AP Policy: Complete details of the official IGETC AP Policy can be found in the IGETC Standards: [www.ccctransfer.org/igetc](http://www.ccctransfer.org/igetc)

Advanced Placement Information (Continued)

IGETC AP Policy Notes (see chart):

@ Current Pierce College policy will not allow students who scored a 3 on either of the English Advanced Placement exams to progress to IGETC Area 1B: Critical Thinking and English Composition. Students who scored a 3 on either of the English Advanced Placement policies have the following options for completing the IGETC Area 1B requirement:

1. Take a course to meet IGETC 1B at any of the other eight campuses in the Los Angeles Community College District. All eight campuses will allow students who scored 3 or higher on either of the English AP exams to enroll in an IGETC 1B course. West Los Angeles has online courses available that satisfy IGETC 1B. Warning: Be sure to follow the IGETC plan at each college you attend.

OR

2. On a case-by-case basis, students who scored a 3 can meet with the Pierce English Department Chair or their designee, and complete a written assignment. The English faculty member will determine whether the completed assignment demonstrates the knowledge and skills necessary to succeed in a course(s) requiring English 101 as a prerequisite. At the faculty members discretion, they can clear the student to enroll in a course that meets IGETC 1B.

OR

3. Students who scored a 3 may choose to enroll in English 101 at Pierce. However, the UC and CSU campuses may not grant unit or course credit for English 101. The IGETC Standards v1.0 states: "Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted for both." Students cannot choose which they want credit for, the AP exam or the course. The university will give credit for what was first passed. In this case, it will be the AP exam.

TM For AP exams in Environmental Science; Physics C: Mechanics; and Physics C: Electricity/Magnetism; 3 semester or 4 quarter units are applied for IGETC certification; therefore, students who complete these exams will be required to complete at least 4 semester or 4 quarter units to satisfy the minimum required units for IGETC Area 5.

CSU AP Policy Notes (see chart):

* Areas of CSU GE Breadth (A1 through E) are defined in CSU Executive Order 1033. Areas of American Institutions (US-1 through US-3) are set forth in Sections 1A and 1B of CSU Executive Order 405, and at www.assist.org

† These units count toward CSU eligibility for admission. The units may not all apply toward CSU certification of the corresponding GE-Breadth area. See CSU Executive Orders 1033 and 1036 for details.

‡ Students seeking certification in CSU GE Breadth prior to transfer must have passed the AP test before this date.

^ CSU policy: If a student passes more than one AP exam in calculus or computer science, only one examination may be applied to the baccalaureate.

% CSU policy: If a student passes more than one AP exam in physics, only six units of credit may be applied to the CSU baccalaureate, and only four units of credit may be applied to a certification in GE Breadth.

Pierce College Course Credit Applicable to Associate Degree Major and/or Certificate Requirements only:

Registration in Pierce College Classes

Please read the Pierce College schedule and catalog carefully. It is your responsibility to be aware of the college’s rules and regulations.

Registration Information

- **Unit Load Limits** – A full-time student is a student enrolled in 12 units or more. A student may enroll in a maximum of 18 units during registration. Students may petition to add more units during the week before the semester starts and the first two weeks of the semester. A 3.0 GPA in 12 college units is required.
- You may enroll for only one section of each course except for selected physical education classes. You may not enroll in classes which meet at the same time or overlap in time.
- Students are responsible for having their Add Permit processed in the Admissions & Records office.
- Many courses listed in the Schedule of Classes have prerequisites. These are requirements that are necessary for enrollment and successful completion of the courses. Proof of having met the prerequisite must be established prior to registration.
- Students remain financially responsible for the enrollment fee and tuition charges unless they drop by the refund deadline.
- Students who fail to attend the first class meeting may forfeit their place in the class.
- Please read the Pierce College schedule and catalog carefully. It is your responsibility to be aware of the College’s rules and regulations.

English Placement Process

The results of the English placement process or English Enrollment Authorization Form must be on file in order to enroll in English 21, 28, English 82, 84-87, or English 101 and above.

All students planning to enroll in an English course for the first time are expected to complete the English placement process at the Pierce College Assessment Center (Student Services Building). Placement results taken at other colleges may be presented to the Assessment Center to be substituted for the Pierce English placement process.

Placement recommendations made through the English placement process are intended to assist students with enrolling in classes where they are most likely to succeed. Upon completing the process, students are informed of their placement and given their authorization to enroll. Students seeking authorization to enroll in a course other than that recommended by the assessment test must meet with an English Department advisor. Review is essential because the test cannot be taken again for one year. Contact the Assessment Center for hours.

Students need to provide evidence of prerequisite completion either through coursework in the Los Angeles Community College District, by completing the Pierce English placement process, or through transcripts from other colleges presented at the Counseling Office.

Mathematics Placement Process

All students who have not completed a college mathematics course must complete the mathematics placement process at the Pierce College Assessment Center (Student Services Building).

Upon completing the test, students are advised of their recommended placement and given an authorization to enroll in that course. Students who wish to challenge the recommendation of the assessment test should consult a Mathematics Department advisor. Contact the Assessment Center for hours.

Students need to provide evidence of prerequisite completion either through coursework in the Los Angeles Community College District, by completing the Pierce Math placement process, or through transcripts from other colleges presented at the Counseling Office.

Auditing Classes

Students may be permitted to audit a class under the following conditions:

1. Payment of a fee of $15 per unit. Fees may not be refunded or transferred. Students enrolled in classes to receive credit for ten or more semester units shall not be charged a fee to audit three or fewer semester units per semester.
2. Students auditing a course shall not be permitted to change their enrollment in that course to receive credit for the course.
3. Priority in class enrollment shall be given to students desiring to take the course for credit.
4. Permission to enroll in a class on an audit basis is at the instructor’s discretion.
5. Participation in class activities by student auditors will be solely at the discretion of the instructor, who may provide a written statement of the extent of participation allowed beyond observation.
6. Concurrently enrolled high school students must pay any audit fees.
7. Financial aid does not cover auditing.
8. Audit enrollments must be processed in the Admissions Office by the last day to add.

Basic Skills Enrollment Limitation

Title 5, California Code of Regulations, limits student from taking more than 30 units of “remedial” course work, which is defined as “nondegree-applicable basic skills courses.” Effective Winter 2010, the college’s registration system will prevent students, who have exceeded this limit, from enrolling in additional basic skills courses. However, a student who has reached this limit but enrolls in a credit or noncredit English as a Second Language (ESL) course, will be allowed to enroll in additional basic skills courses. Students with disabilities may request an exemption through the Disabled Student Programs and Services (DSPS) Office. Also, this limitation does not apply to enrollment in noncredit basic skills courses.
Student Rights and Legal Protection

Equal Employment Opportunity
The policy of the Los Angeles Community College District is to implement affirmatively equal opportunity to all qualified employees and applicants for employment without regard to race, color, national origin, ancestry, religion, creed, sex, pregnancy, age, disability, marital status, medical condition (cancer related), sexual orientation, or veteran status. Positive action will be taken to ensure that this policy is followed in all personnel practices, including recruitment, hiring, placement, upgrading, transfer, demotion, treatment during employment, rate of pay or other forms of compensation, selection for training, layoff, or termination. (Board Rule 101301).

Inquiries regarding equal employment opportunity at Pierce College should be directed to the LACCD Director of Diversity Programs, Gene Little, at (213) 891-2317.

Nondiscrimination Policy
All programs, activities, services, and employment of the Los Angeles Community College District (LACCD) and Pierce College shall be operated in a manner which is free of discrimination and harassment on the basis of race, color, national origin, ancestry, religion, creed, sex, pregnancy, marital status, medical condition (cancer related), sexual orientation, age, disability, or Veteran’s status. [LACCD Board Rules, 15001-15022] Please direct inquiries or complaints to Gene Little, LACCD Director of Diversity Programs, at (213) 891-2317. Additional information may be obtained by emailing diversityprograms@laccd.edu.

Americans with Disabilities Act (ADA) and California State Law
In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990, the Fair Employment & Housing Act (FEHA), Government Code Section 11135, and other applicable codes, the Los Angeles Community College District and Pierce College do not discriminate against individuals on the basis of disability in its services, programs, or activities.

In order to ensure that people with disabilities have an equal opportunity to participate in all of its programs, services, and activities, Pierce College will make reasonable modifications to policies and practices, as well as, provide appropriate aids and services leading to effective communication, including sign language interpreters, documents in Braille and other alternate formats to ensure information is accessible to people who have speech, hearing, vision, or cognitive impairments.

Anyone who requires auxiliary aides and services for effective communication, or a modification of policies or procedures should communicate with the responsible department or event contact as soon as possible, but no later than three days before the scheduled event. No surcharge will be placed to cover the cost of providing auxiliary aids or making reasonable modifications to create access.

In terms of employment, Pierce College does not discriminate on the basis of disability in its hiring or employment practices and will comply with the Fair Employment and Housing Act, as well as, the ADA Title I including the regulations promulgated by the U.S. Equal Employment Opportunity Commission (EEOC) and the requirement to provide reasonable accommodation.

The Office of Diversity Programs at LACCD has been designated to coordinate the College’s compliance with the ADA and with sections 504 and 508 of the Rehabilitation Act of 1973. Neither the ADA, nor state law, requires Pierce College to take action that would fundamentally alter the nature of its programs, activities or services or impose an undue financial or administrative burden.

Los Angeles Pierce College and the Los Angeles Community College District are fully committed to be in compliance with the Americans with Disabilities Act (ADA) and California State Law. As part of the compliance, Paul Nieman has been named the College ADA Coordinator for LAPC to coordinate compliance with the non-discrimination requirements contained in the Department of Justice regulations implementing Subtitle A of Title II of the ADA (42 U.S.C. 12131), which prohibits discrimination on the basis of disability by public agencies and Section 504 of the Rehabilitation Act, as well as California disability laws and regulations. You may contact Paul Nieman for all ADA accommodation requests from Staff, Faculty, and the Public:

Student Directory Information
Los Angeles Pierce College considers the following information relating to a student to be “directory information:” name, city of residence, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees and awards received, dates of attendance, and most recent previous educational agency or institution attended by the student. Students who do not wish the above categories of information to be given out should so indicate on the Release of Directory Information form in the Admissions Office.

In addition, branches of the U.S. military are entitled to receive the following student information: student directory information as defined above, student address, telephone number, date of birth, and major field of study. This information will not be released if you so indicate on your Application for Admission.

The College Foundation is entitled, with your permission, to receive the following student information: student’s name, address and telephone number. The College Foundation is not entitled to release your student information to third parties. This information will not be released if you so indicate on your Application for Admission.

Other colleges and universities may also receive mailing information if you agree to release it on your Application for Admission.

Privacy of Student Information
The Los Angeles Community College District is committed to protecting student privacy. Social security numbers are not used as the primary method of student identification.

Family Education Rights And Privacy Acts
The Family Educational Rights and Privacy Act (FERPA) affords students the following rights with respect to their educational records:

The right to inspect and review the student’s education records within 45 days of the day the college receives a request for access. Students may submit to the College Admissions Office written requests that identify the specific record(s) they wish to inspect. Within 45 days, the College Admissions Office will make arrangements for access and will notify the student of the time and place where the records may be inspected. Educational records are those records that are directly related to students and are maintained by the College. Students may not inspect education records pertaining to parents’ financial records and certain confidential letters or recommendations.
The right to request an amendment of the student’s educational records which the student believes to be inaccurate, misleading or otherwise in violation of the student’s privacy rights.

With the exception of grade grievances, which are handled through Administrative Regulation E-55, students may ask the College President, or his/her designee to amend a record that they believe is inaccurate, misleading, or in violation of their privacy rights. A student seeking to amend an educational record should write to the College President and clearly identify the part of the record he/she wants changed, and specify why it is inaccurate, misleading, or in violation of his/her privacy rights.

If the College President, or his/her designee, decides not to amend the record as requested by the student, the College, in accordance with section 99.21 of the Code of Federal Regulations and section 76232 of the Education Code, will notify the student of the decision and of his/her right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA and California law authorize disclosures without consent. If a student authorizes the release of his/her education record to a third party, he/she shall provide a dated written consent to the College Admissions Office authorizing said release with a specific list of the information to be released.

Federal and California law authorize certain disclosures of personally identifiable information without a student’s written consent. One such exception is the disclosure of personally identifiable information to school officials with legitimate educational interests. School officials with legitimate educational interests are employees or agents of the Los Angeles Community College District who need to review educational records in order to fulfill their professional responsibilities.

The right to restrict disclosure of personally identifiable information that the College has designated as directory information which may be released without the written consent of the student. Directory information may be disclosed without a student’s consent unless the student has notified the college that he/she does not want all or portions of the directory information released. To do so, the student must submit the appropriate District form to the College Admissions Office requesting that some or all of the categories of directory information not be released without his/her consent. This form must be submitted in accordance with College policy.

Pursuant to Board Rule 5201.10, the Los Angeles Community College District has designated the following student information as directory information:

- The student’s name, city of residence, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most previous educational agency or institution attended by the student;
- Student employee records may be released in order to comply with collective bargaining agreements;
- The names, addresses and telephone numbers of students or former students may be released to the College Foundation for each college for college-related activities at the discretion of the College President, unless the student or former student has informed the College that such information should not be released. The release of this information is conditioned upon the College Foundation’s agreement that such information will be released in accordance with District policy and that information will not be released to third parties;
- At the discretion of the College President, the names, addresses and telephone numbers of students from the College may be released to heads of private and/or public institutions of higher education, or their designees, for the purpose of providing information to students regarding transfer opportunities to those institutions, unless the student has indicated that such information should not be released. The release of this information will be conditioned upon the institution’s agreement that student privacy rights under federal and state law will be protected and that information will not be released to third parties.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW, Washington, DC 20202-4605

Unauthorized Release of Student Records

Release of student records by faculty members to third parties, which includes parents and other family members, without a student’s written permission or in the absence of a judicial order is prohibited by the California Constitution and the Education Code. Los Angeles Community College District Records shall be developed, maintained and disposed of according to the requirements of law and this Board policy.

Sexual Harassment Policy

The policy of the Los Angeles Community College District is to provide an educational, employment and business environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. Employees, students or other persons acting on behalf of the District who engage in sexual harassment as defined by the District’s policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion or termination of contract.

The specific rules and procedures for reporting charges of sexual harassment and for pursuing available remedies are incorporated in the LACCD Board Rules, Chapter 15. Copies of the policy may be obtained from the District Office of Diversity Programs at (213) 891-2317.

Student Right to Know

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2011, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became ‘transfer prepared’ during a three-year period, from Fall 2011 to Spring 2014. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered ‘transfer-prepared’. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming ‘transfer-prepared’ during a five-semester period, from Spring 2012 to Spring 2014, are transfer students.

STUDENT RIGHT-TO-KNOW RATES FOR FALL 2011 COHORT

Completion Rate: 27.89%
Transfer Rate: 8.10%
Crime Statistics
As required by the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act"), the college’s Annual Security Report contains policy statements and crime statistics for the campus. The Annual Security Report includes statistics for the previous three years concerning certain reported crimes that occurred on campus, in off-campus buildings or property owned or controlled by the college, and on public property within or immediately adjacent to the college. The report also includes institutional policies concerning campus safety and security, such as policies on drug and alcohol use, crime prevention, the reporting of crimes, sexual assault, and emergency response and evacuation procedures. You can obtain the college’s Annual Security Report online at http://www.piercecollege.edu/media/pdf/AnnualSecurityReport.pdf. You may also request a paper copy by contacting the Sheriff’s Department at 818-719-6450.

Sexual Assault
The Los Angeles Community College District is committed to providing a safe environment for its students, faculty, and staff. The Los Angeles Community College District Board of Trustees condemns any act of sexual assault committed on any of its facilities. In the event of sexual assault committed on grounds or in facilities maintained and/or used by the District, any victim of a sexual assault who is one of the District’s students, faculty, staff, or visitors shall promptly receive appropriate treatment and full and accurate information. Individuals who commit sexual assault while on properties within the control of the District shall be subject to appropriate criminal prosecution and/or District disciplinary procedures. Confidentiality is fundamental to all aspects of cases dealing with sexual assault. The names of sexual assault victims shall not be revealed by persons responsible for implementing and enforcing the provisions of this Chapter, except with the consent of the victim or legal compulsion. Victims of sexual assault may obtain a list of referrals to community agencies from the campus police office.

Notice to Sex Offenders
California law requires that certain statutorily defined sex offenders notify community college law enforcement officials that they are present on campus in specific capacities. If you fall into this category, you must register with the College’s Sheriff’s Office.
Campus Parking, Traffic and Safety Regulations

Access to campus is limited on weekends and at night. The campus is closed from 11:00 p.m. to 6:00 a.m. Only the Winnetka entrance will be open on weekends and holidays.

Enforcement of Traffic and Parking Regulations

The maximum speed limit is eight (8) miles per hour on all parking facilities and 25 miles per hour on campus roads unless posted. All persons driving a vehicle on the campus are required to comply with the traffic laws of the State of California and the rules and regulations pursuant to Section 21113A of the California Vehicle Code. Violations of any of the regulations set forth below may result in a citation being issued.

Section 21113A. CVC grants the President of Pierce College authority to regulate and impose special conditions regarding traffic and parking regulations which include the authority to have vehicles block traffic flow and pose a safety hazard, or are abandoned with no license, towed away at the owner’s expense.

Vehicles parking in areas designated as tow-away zones will be towed away, no exceptions. Please check fences and curbs for tow-away signs. ALL POSTED CAMPUS TRAFFIC AND PARKING REGULATIONS WILL BE ENFORCED. Parking on campus is a privilege and permission to park may be revoked at any time.

Pierce College assumes no responsibility for damage to any motor vehicle, theft of its contents, or injury to persons operating such vehicles on or off the campus.

THERE IS NO FREE PARKING AREA ON THE CAMPUS. ALL PARKING AREAS REQUIRE A PERMIT. PARKING PERMITS MUST BE DISPLAYED CLEARLY FROM THE REAR VIEW MIRROR WHEN PARKING IN THE COLLEGE PARKING LOTS. PAY VALIDATION MACHINES FOR GUEST PARKING ARE LOCATED IN LOT 1, LOT 5, LOT 6, LOT 7 AND LOT 8. THESE ONE-DAY ONLY PARKING PERMITS CAN BE USED IN ANY PARKING LOT ON THE CAMPUS.

A VALID PERMIT MUST BE DISPLAYED AT ALL TIMES.

A STUDENT’S PIERCE COLLEGE PARKING DECAL IS VALID AT EACH LOS ANGELES COMMUNITY COLLEGE DISTRICT CAMPUS AT WHICH THE STUDENT IS CURRENTLY ENROLLED IN CLASSES.

See STUDENT FEES section in this college catalog for more details.

Parking permits are not transferable and are only valid for the semester as indicated on the tag.

General Regulations on Driving and Parking

1. The person in whose name the vehicle is registered will be held responsible for any violations involving the vehicle.

2. Yield the right of way to pedestrians at all times.

3. Driving or parking a vehicle on pedestrian paths, sidewalks, or safety zones is prohibited. All violators will be cited.

4. Curbs painted red indicate NO PARKING zones. Curbs painted yellow indicate loading and unloading zones for passengers and business deliveries. Curbs painted green indicate “special parking” or limited parking time. Curbs painted blue indicate handicapped parking by Special Permit obtained from Special Services. Student parking is not permitted in Staff/Faculty lots without a Special Permit. Parking in red and yellow zones, loading docks, entrances to buildings and driveways constitutes illegal parking.

5. No vehicle shall back into a stall in parking lots 3, 5, and 6. Vehicles must park clearly within marked stalls in Parking Lots 5 and 6. Failure to do so will constitute illegal parking.

6. The responsibility of finding a legal parking space rests with the motor vehicle operator. LACK OF SPACE IS NOT CONSIDERED A VALID EXCUSE FOR VIOLATION OF THESE REGULATIONS.

7. Any area on campus that has been closed off by barricades or other traffic control devices shall not be entered by any vehicle.

8. Motorcycles, motor scooters and motorized bicycles may not be parked in bicycle racks nor may they be driven on sidewalks or pedestrian paths. Motorcycles, motor scooters and motorized bicycles must park in motorcycle areas in parking lot 1 or 7. MOTORCYCLES ARE NOT PERMITTED ON INNER CAMPUS ROADWAYS.

9. Always lock your car and set brake when parking.

10. If you feel you have received a parking citation in error, see College Sheriff between the hours of 8:00 a.m. to 9:00 p.m., Monday–Friday.

Students are advised to be alert for large farm machinery moving on the campus, particularly early in the morning and evenings. Use extreme caution when driving around farm machinery, which travels slowly and makes very wide turns, and needs plenty of room to maneuver. If you park on the farm, please park completely off the road. Never park in front of gates and do not park in front of the animal barn doors. When encountering farm machinery, please yield to it.

Bicycle Safety Rules

1. Ride with the traffic, obeying all traffic rules as you would on a public highway as per Section 21200 of the California Vehicle Code. It is your responsibility to watch out for pedestrians.

2. Bicycle racks are provided at various locations on the campus. Lock your bicycle to the rack to help prevent theft.

3. No bicycle riding is permitted on pedestrian sidewalks and mall walkways. Riding on sidewalks adjacent to classrooms, library, gyms, gardens, grass areas, or in any other college facilities is also not permitted. Walk your bike within these areas at all times.

4. You must lock your bicycles to bike racks which are provided near the entrances to the campus.

5. Roller-skates, in-line skates and skateboards are not permitted at any time on the campus.

Cross Country Track and Adjacent Areas Closed from Dusk to Dawn

The area behind the Stadium which includes the Cross Country Track and adjacent walking and running areas are normally closed to the public. Signs have been posted in this area to alert users that this area is not available. Use of the area may be granted if approved in advance by the College and/or the activities occurring within this area are being held within the instructional program.

Use of the Cross Country Track and adjacent areas are by permit only.

Dogs are not permitted on campus. (Except for seeing eye dogs).

Non-District Sponsored Transportation

Some classes may be conducted off campus. Unless you are specifically advised otherwise, you are responsible for arranging for your own transportation to and from the class site. Although the District may assist in coordinating the transportation and/or recommend travel times, route or caravanning, be advised that the District assumes no liability or responsibility for the transportation and any person driving a personal vehicle is not an agent of the District.
Student Fees

Enrollment Fee
Enrollment fees are set by the California State Legislature and are subject to change.

Section 72250 and Section 72252 of the State Education Code requires Community Colleges to charge enrollment fees of each student enrolling in college. Effective Summer, 2012 the fee prescribed by these sections is forty-six dollars ($46) per unit per semester with no maximum per semester. If you take ten units, the cost will be $460. If you take fifteen units, the cost will be $690 and so forth.

 Concurrently enrolled K-12 students are not charged the enrollment fee.

Concurrently enrolled K-12 students are not charged the enrollment fee. If at the time of enrollment you are receiving benefits under the Temporary Assistance for Needy Families (TANF), the Supplemental Security Income/State Supplementary Program, or the General Assistance Program, the enrollment fee will be waived. For information regarding the procedure for requesting a waiver, contact the Financial Aid Office prior to the date of your enrollment.

Financial aid may be available to students who meet the qualification requirements. Students with questions concerning financial aid eligibility should contact the College Financial Aid Office. Applications should be submitted as soon as possible at www.fafsa.ed.gov.

Enrollment Fee Assistance
To learn about enrollment fee assistance, go to the Financial Aid section of the catalog or visit the website at www.piercecollege.edu/offices/financial_aid.

Enrollment Fee Refund Policy
For full term courses: the student will receive a full refund up to the end of the second week of classes. After that date, there will be no refunds unless a class is cancelled or rescheduled by the College administration. After the second week of the semester, fees will not transfer when the student adds and drops, whether or not the student has paid. Students who enroll and do not drop classes by the end of the second week of the semester will remain liable for all fees.

For short term courses: the student will receive a full refund up to the end of a period of time equal to 10% of total class time. There will be no refunds after that, unless the student must drop a class because it is cancelled or rescheduled by the administration. All fee refunds are processed in person.

Student Representation Fee
A $1 Student Representation Fee per semester is due at the time of registration. The fee was established to provide for the support of student representatives involved in governmental affairs.

For questions please call: Business Office (818) 719-6432

Please note that a $10 returned check charge is assessed for a check returned to the Business Office unpaid by the bank for any reason. A stop payment order on a check does not constitute an official withdrawal nor does it release the student’s financial obligation for the fees. A student with an unpaid financial obligation will not be able to register for subsequent semesters.

All fee refunds must be claimed in person at the Business Office.
COTOP Information
(Chancellor’s Office Tax Offset Program)

The COTOP program is a method of collecting past due fees for the Los Angeles Community College District owed by former students. The Pierce College Business Office reviews the accounts receivables and only submits those debts that are permitted to be collected through COTOP. Under the COTOP program, the Chancellor’s Office requests the Franchise Tax Board to offset (debt) the amount owed to a district from the student/debtor’s personal state income tax refund, lottery winnings or other state refund.

Student accounts that have past due fees may be submitted to COTOP. This can include enrollment & associated fees incurred at Pierce College. The Pierce College Business Office will send out a letter to the last known address of a student, instructing the student that their past due fees may be sent to COTOP. The student then has 30 days to pay their fees in full.

Please be aware that this debt will NOT be submitted to any major credit agencies.

If a student’s past due fees are not paid in full in the 30 days after the letters are sent out, the past due fee information will be submitted to the State of California COTOP. Please note that a 25% charge is added to all outstanding fees processed through COTOP.

Tax Credit Available to Students

In accordance with federal tax credit legislation, Pierce College will mail a verification 1098T form the end of January to each student registered at least half-time on census day and who has paid registration fees. Please check with your tax preparer to determine if you are eligible to take advantage of this credit and the amount you may deduct. If you are entitled to this deduction, it is important that the college have your current address. If you have moved, you need to complete a Change of Information form with the Office of Admissions and Records. The social security numbers of students who have chosen an assigned identification number will not be printed on the 1098T. If you wish to add your social security number you may do this by completing a W-9, Request for Taxpayer Identification Number and Certification form with the Business Office.

Non-Resident Tuition Fee

The 2016-2017 tuition fee for non-resident students is $243 per semester unit for students who are non-residents from another state; $243 per semester unit for students who are non-residents from a foreign country. Tuition must be paid at the time of registration. This fee is subject to change each academic year.

Please note: Non-resident students are also required to pay the community college enrollment fee. Non-resident tuition is due upon registration. Students must drop classes by the refund deadline in order to avoid being charged the enrollment fee and the non-resident tuition fee. In addition, after the refund deadline, fees will not transfer when students add and drop classes, whether or not fees have been paid.

Non-Resident Tuition Refund Criteria and Schedule

A non-resident student who formally drops or otherwise separates from part or all of his/her enrollment may request a refund of previously paid non-resident tuition in accordance with the schedule below. Such request must be made in writing on a form provided by the District.

The date used for non-resident refund purposes is the date on which such request is filed and time stamped, regardless of when separation may have occurred. All nonresident refunds will be made by mail.

Non-resident refunds will be computed as follows:

<table>
<thead>
<tr>
<th>CLASS TYPE</th>

If college expenses have been paid by federal financial aid funds, any refund due will revert to the financial aid program rather than to the student. Expenses paid by financial aid may be subject to a special pro-rata refund calculation. Contact the Financial Aid Administrator for specific information regarding refund calculations for financial aid recipients.

Health Services Fees

The Los Angeles Community College District charges an $11.00 mandatory health fee for the Fall and Spring semesters and $8.00 for the Summer and intersession, payable to one campus only, to cover the costs of health centers at each college. Due to recent state legislative changes, beginning in the Fall 2006 semester, the student health fee will no longer be waived for Board of Governor Grant recipients. Payment of the health fee can be made at the Business Office each semester. This fee enables students to take advantage of the on-campus health center located on the second floor of the Student Services Building. For health fee exemptions, refer to Board Rule 8502.

Pierce College does NOT require vaccinations to enroll; however, some programs may require certain immunizations. Please call the Health Center at (818) 710-4270 for specific vaccines available or check our website at www.piercecollege.edu/offices/health_center for additional information.

For health fee exemptions, refer to Board Rule 8502.

Parking Fee

A parking permit is required at all times when using campus parking facilities during regular school hours. Parking permits may only be purchased after all institutional charges have been paid.

The Board of Trustees of the Los Angeles Community College District has authorized parking fees for all on-campus parking at district colleges.

A student’s Pierce College parking decal is valid at each Los Angeles Community College District campus at which the student is currently enrolled in classes.

To encourage membership in the Pierce College Associated Students Organization (ASO), the College Administration has entered into an agreement with the ASO whereby individuals who both pay the District parking fee and join the Associated Student Organization will receive a benefit of membership preferred parking privileges on campus. Students displaying a Preferred Student Parking Decal may park, if space is available, in all student parking lots, including the preferred lots (1, 3, 4, 6, 7, 8 and 9), as well as legally allowable street parking space. The non-preferred parking areas (permit required) is parking lot 5 and on El Rancho Drive.

Parking fees may be paid prior to the completion of registration. Students who do not elect to purchase the permit at that time may do so at any time during the semester at the campus Business Office located next to the Student Store.
Student Fees (Continued)

Each student who pays the parking fees will be issued a decal. These decals shall be hung from the rear view mirror.

It is the student's responsibility to make sure they know the current parking rules and regulations; if not sure, contact the Sheriff's Office. It is also the student's responsibility to make sure the current decal is visible to College Police Officers. The college is not responsible for lost permits under any circumstances.

Note: The issuance of a parking decal does not guarantee the student a parking space, only the opportunity to park in an appropriate lot if spaces are available. Any vehicle parked in the areas without the proper permit appropriately displayed will be cited.

Fall and Spring Semester Parking Permit Fees
- Non-Preferred/Restricted District Permit $20.00
- A.S.O. Membership Fee $7.00
- Preferred/Non-Restricted Permit Total Fee $27.00
- Charge to replace lost or stolen permit* $27.00

Summer and Winter Session Parking Permit Fees
- Non-Preferred/Restricted District Permit $7.00
- A.S.O. Membership Fee $3.00
- Preferred/Non-Restricted Permit Total Fee $10.00
- Charge to replace lost or stolen permit* $10.00

* Any vehicle displaying a lost or stolen permit is subject to citation and/or impoundment. Responsibility for loss or theft of permit rests solely with the purchaser. Ownership and/or assignment of this hanging tag is not transferable. Replacement permits will only be issued at the discretion of Pierce College.

Student ID Cards
All new and returning students will be issued a picture ID card. Continuing students should bring their ID cards to the Business Office and present it when paying fees. ID cards serve as official identification for access to college programs and services including the Student Store, Library, and Learning Center. A $5 fee is charged for replacement of lost cards.

Associated Student Organization Fee
Experience has demonstrated that student activities are essential features in the program of the College. These activities and programs are financed by money received from memberships in the Associated Students Organization. The charge is $7 per semester and $3 per intersession. When paying in person at the college business office, all students will be assessed A.S.O. membership. Student may opt out of A.S.O. membership with A.S.O. advisor approval. Opt out forms can be obtained at the A.S.O. office.

The funds thus collected will be spent for the general welfare of the students in accordance with policies, rules, and regulations defined by the Board of Trustees. Membership in the Associated Students Organization is encouraged for all students, but is not mandatory. Board of Trustees rules govern the collection, deposit and expenditures of these funds. All records are audited annually by representatives of the Board of Trustees.

Instructional Materials
Students may be required to provide instructional and other materials for a credit or non-credit course. Such materials shall be of continuing value to a student outside of the classroom setting and shall not be solely or exclusively available from the District. Some classes may require additional fees for printing documents in the Open Access labs. These labs may include The Center for Academic Success, English Writing lab, Computer Science lab, Multimedia, Journalism and Photography labs. Please pay all fees at either the Business Office or Copy Tech.

Refunds
Cash or checks - All refunds of payments will be made by check. No cash refund will be made. A waiting period is imposed to allow a check to clear the bank before a refund may be issued. This period varies, but it takes approximately three weeks from the date the check is received by the College Business Office or Student Store.

Credit Cards - A credit will be issued through the credit card agency and must be claimed in person at the Business Office.

Check Acceptance Policy
YOUR CHECK IS DEPOSITED ON THE SAME DAY ELECTRONICALLY AND FUNDS ARE WITHDRAWN ON THE SAME DAY.

Check Types Accepted
The Electronic Check Service only accepts:
- Personal checks

Check Types That Are Ineligible
In accordance with the NACHA rules, the Electronic Check Service does not accept:
- Checks not pre-printed
- Business/Corporate checks
- Third – party checks
- Government checks (different for each class)
- Insurance checks
- Payroll checks
- U.S. Treasury checks
- Federal Reserve checks

For questions please call: Business Office (818) 719-6432.

Returned Check/Stop Payment Charge
There is a charge for each check returned by the maker’s bank or if payment is stopped by the maker. Currently this charge is $10, but is subject to change without notice.

In addition, the college reserves the right to refuse acceptance of a check from an individual who previously had his/her check returned by the maker’s bank to this college or any of the other eight colleges in the L.A. Community College District.

Students remain financially responsible for the enrollment fee and non-resident tuition unless they officially drop classes through the Admissions and Records Office by the end of the second week of the semester.

Payments
Payments may be made via the LACCD Student Information System using a valid credit card (Visa, MasterCard, Discover, American Express) or in person at the college Business Office. When paying in person, a valid photo I.D. is needed to process payment. The college Business Office hours of operation can be found at the college website.

Career and Transfer Center
The purpose of the Career and Transfer Center is to provide information to help students make decisions about career choices, programs of study, and transferring to four-year colleges and universities. A library of occupational information and current college catalogs, and other materials, are available for student use. The Career and Transfer Center also coordinates visits by college and university representatives and schedules workshops and presentations on various topics related to careers, majors, and the college applications process. Career counseling, including career assessments, is available to help students determine appropriate occupational and educational goals.

The Career and Transfer Center is located on the first floor of the Student Services Building. The telephone number is (818) 710-4126.

Center For Academic Success (CAS)
The CAS is committed to helping students in need of academic support acquire the skills and tools necessary to meet their individual academic, vocational, or personal goals. All tutoring services are free to currently enrolled Pierce College students.

Tutorial Program (LLC 5130)
The Center for Academic Success offers free individual tutoring, group tutoring, and workshops in a variety of subject areas. Students can make appointments in advance or walk in; appointments are 30 minutes in length. Walk-ins will be seen only if tutors are available, on a first-come, first-served basis. Check the CAS website, call (818) 719-6414, or stop by the tutoring center (LLC 5130) for more information.

Hours: Monday - Thursday 9:00 a.m. - 5:30 p.m.
Friday – 10:00 a.m. - 2:00 p.m.

Campus Child Development Center
Northwest Corner of Mason Ave. and Olympic Drive. Entrance is located on Olympic Drive.

The Campus Child Development Center serves two purposes: 1) To provide a high quality preschool program for the children of Pierce students, and 2) To provide a model program as a fieldwork site for adult students studying Child Development and related fields.

The Child Development Center offers a developmentally appropriate program to children 2.9 years of age through 5.6 years of age, whose parents are enrolled at Pierce College. We run primarily as a State Preschool program, with subsidized funding from California State Department of Education. Parents must qualify for this program under income guidelines furnished by the State Department of Education. We do have a small tuition based program, also.
The Center is open from 7:45 a.m. - 4:00 p.m., Monday through Friday. The following sessions are offered within these hours: Half day - 8:00 a.m. - 12:30/1:00, Monday through Friday, and Full day - 8:00 a.m. - 3:00/4:00 p.m., Monday through Friday. The program is staffed with highly educated and experienced teachers, and offers a minimum ratio of 1 adult to 8 children in each classroom.

The Campus Child Development Center is also utilized as a primary observation and practicum site for students studying Child Development and related fields. Adult students have the opportunity to observe and/or gain experience working with young children as they study to become Early Childhood Educators and Directors.

Counseling Services
Counselors assist students in setting educational goals, exploring alternatives, making decisions regarding their academic programs and understanding the effects of having made these decisions. Short-term courses are also offered to help students develop skills in such areas as decision making and personal development. Counselors are located in the main Counseling Office in the Student Services Building. Appointments may be made in the Counseling Office.

Faculty advisors, located in most departments, will also help students with academic and career information related to courses and programs in the academic area of the advisor.

Personal Counseling
Students can obtain personal counseling from counselors in the Counseling Office. Counseling is available to students who feel a need for short-term help with personal problems or in a crisis situation. Assistance may be provided through a limited number of individual counseling sessions and referrals. To make an appointment to see a counselor, call 818-719-6440 or go to the Counseling Office in the Student Services Building.

Disabled Students Programs and Services
Pierce College affirms its programs and activities are available to all qualified persons without regard to disability. The College is also subject to Sections 504 and 508 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. The primary objective of the Disabled Student Programs and Services (DSPS) is to provide accommodations for students with a disability in campus programs and activities to the greatest extent feasible. The ability of each student with a disability to function independently in the collegiate environment is the ultimate goal.

Individuals with a disability may receive support services and instruction from the DSPS program at Pierce College. Students with mobility, visual, hearing, speech, psychological and other health impairments as well as learning and developmental disabilities are served. The student with a disability seeking admission to Pierce College must meet these levels of independence: 1) The ability to negotiate the campus facilities independently or with the assistance of an attendant; 2) The ability to take care of personal needs (feeding, toileting) unassisted or to provide one’s own attendant, and 3) The possession of a stable level of health to benefit from a full semester’s work.

All students are provided with an initial interview, counseling, and referral. Non-classroom related assistance for qualified students include registration assistance, campus orientation, accommodated placement tests, parking, learning disability eligibility assistance, matriculation and support with disability management issues.

DSPS determines reasonable accommodations on a case-by-case basis, by reviewing the disability verification documentation and an interactive process with each student. Following are some of the supportive services which may be approved as reasonable accommodations, depending on the nature of the student’s educational limitations, to assure access to educational activities at Pierce College:

• Interpreter services for the deaf

• Note-taking services
• Mobility assistance
• Registration assistance
• On-campus transportation (use of electric wheelchair)
• Academic and career guidance
• Closed Captioned TV (C.C.T.V.)
• Print magnifier
• Testing proctoring
• Special counseling
• Learning disability assessment
• Special parking
• Alternative media
• Specially adapted software technology
• Special orientation
• Adaptive furniture
• Additional services available through DSPS may include:
  • Counseling
  • Enrollment assistance
  • Instructor liaison
  • Assistive technology training

For further information or an initial appointment, contact the DSPS Office at (818) 719-6430. Our email address is special_services@piercecollege.edu. We are located in the Student Services Building, room 48175.

Learning Disabilities Program
The Learning Disabilities Program, located in the Special Services Office, assists college students with the essential tools needed for success in their classes. Many students need help in basic reading, spelling and arithmetic skills as well as individualized special techniques for the realization of their full potential academically or vocationally.

The student’s problems are diagnosed, and an individualized program is designed to meet their needs. Students advance at their own rate using a large variety of instructional materials. Special classes and tutorial sessions provide assistance. Specialized tutoring in regular classes can be provided by arranging for individualized adaptations with instructors.

Extended Opportunity Program and Services (EOPS) and C.A.F.Y.E.S.
Extended Opportunity Programs and Services (EOPS) is a state-funded comprehensive support system which recruits and assists qualified low-income students who have educational disadvantages. EOPS provides academic counseling, career exploration, tutoring, priority registration, book services and workshops aimed at helping students succeed in college. Participants must be full-time students. EOPS participants who are single parents with children under the age of 14 may receive additional services if they qualify for C.A.R.E. (Cooperative Agencies Resources for Education). EOPS participants that are current or former foster youth may receive additional services if they qualify for CAFYES (Cooperative Agencies Foster Youth Educational Support).

EOPS is located in the Student Services Building, 2nd floor, Room 48235. Office hours are 8 a.m. to 4 p.m., Monday through Friday. Early morning and evening appointments can be made by special arrangement. Find us on the web at www.piercescology.edu/offices/eops.

CalWORKs Program
The CalWORKs Program serves eligible students enrolled at the college who currently receive CalWORKs for themselves and at least one child under the age of eighteen, and who have or are in the process of developing a GAIN welfare-to-work plan which includes education as an approved activity, or are County-referred for post-employment or post-time limits services.
The program offers a variety of supportive services designed to help students meet their welfare-to-work and educational goals in order to achieve academic success, career advancement and economic self-sufficiency, including:

• Priority registration
• Orientation
• Case management and coordination with GAIN services
• Books, supplies, fees, tools and uniforms, in partnership with the Los Angeles County GAIN program
• Work-study opportunities
• Academic counseling
• Individualized Student Education Plan for the entire academic program
• Completion and certification of required GAIN and Child Care Resource Center forms and documents
• Informative workshops
• Referrals to community agencies for legal, personal counseling, domestic violence and social services

The CalWORKs office is located in the Student Services Building, second floor, room 48235. For more information and appointments call 818-719-6400. Our email address is: pierce_gaincalworks@piercecollege.edu

Vocational Rehabilitation Services

Students who have a physical, emotional, or other disability may be eligible for the services of the State Department of Rehabilitation. These services include vocational counseling and guidance, training (including payment of college costs), and job placement. Under certain circumstances students may also qualify for help with medical needs, living expenses and transportation and other services.

For further information, appointments may be made with a counselor in the Special Services Office.

Financial Aid

The purpose of student financial aid program is to provide financial assistance to students who, without such aid, would be unable to attend college. Although it is expected that students and parents will make a maximum effort to meet the cost of education, financial aid is available to fill the gap between family resources and the annual educational expenses. Financial aid is meant to supplement the family's existing income/financial resources and should not be depended upon as the sole means of income to support other non-educational expenses.

Financial aid is available from various sources such as federal, state, institutional, community organizations and individual donors. Financial aid can be awarded in the form of grants, loans, work-study, scholarships, or a combination of these.

The first step in the application process is submitting the Free Application for Federal Student Aid (FAFSA) on-line at www.fafsa.gov. In addition to the FAFSA, students may have to provide additional information to the Financial Aid Office. Additional information about the financial aid application process and availability of financial aid programs may be obtained in the Financial Aid Office or by visiting our website at www.piercecollege.edu/offices/financial_aid

Please follow the deadlines below:

• January 1, 2016 — FAFSA application available on-line at www.fafsa.gov
• March 2, 2016 — Cal grant deadline and application priority deadline for limited funded programs
• April 1, 2016 — Established priority funding deadline for limited funded financial aid programs
• May 1, 2016 — Established priority deadline to submit required documents to the Financial Aid Office
• Sept. 2, 2016 — Extended competitive Cal grant deadline for community college students

Eligibility

To be considered for financial aid, students must meet the following minimum requirements:

• Be a U.S. citizen or an eligible non-citizen. An eligible non-citizen is a U.S. permanent resident who has documentation from the Department of Homeland Security verifying that his/her stay in the U.S. is for other than a temporary purpose.
• Have a valid social security number (SSN)
• Demonstrate financial need.
• Be enrolled as a regular student in an eligible program.
• Be making satisfactory academic progress in a course of study leading to a Certificate, AA or AS Degree, or Transfer Program.
• Not be in default on any student loan such as Federal Perkins Loans, Federal Stafford Loans (subsidized and unsubsidized), Federal Direct Loans (subsidized or unsubsidized), or Supplemental Loans to Assist Students (SLS) at any college attended.
• Not owe a refund on a Federal Pell grant, Federal Supplemental Educational Opportunity Grant (FSEOG) or Academic Competitiveness Grant (ACG) or SMART Grant.
• Be registered with Selective Service, if required to do so.
• Received a high school diploma or its equivalent, or passed a high school proficiency examination.

Awards

The amount of financial aid offered to students is determined by the difference between their educational expenses and the financial contribution their families can make toward these expenses, which is referred to as “financial need”. Once financial need is determined, an Aid Offer is assembled consisting one of more of the following types of financial aid programs:

1. GRANTS – A grant is a form of financial aid that typically does not have to be paid back. It is the best type of aid you can receive. Apply as early as possible since some grant funds are limited. The following are various types of grants:
   a. Federal PELL grant
   b. Federal Supplemental Educational Opportunity grant
   c. Cal grant B or C
   d. Chafee Grant
2. WORK-STUDY – This program enables students to earn a portion of their financial aid award through part-time employment either on or off campus.
3. FEE WAIVER – this program is a state funded program that waives the enrollment fees to California residents who meet the income and eligibility requirements.
4. STUDENT LOANS – Federal student loan is a financial aid program available to students who demonstrate financial need while attending college at least half-time (6 or more approved units). Student loans must be repaid.
5. SCHOLARSHIPS – There are numerous local and national scholarship opportunities available in the form of free money.

Consequences of withdrawing

Students who receive financial aid and then withdraw from all or part of their classes may have to repay all or some of the financial aid funds received. Please note that withdrawing from classes may affect the satisfactory academic progress for future financial aid eligibility.
Students who received federal financial aid and withdrew from all classes in the first 60% of the semester are subject to Return to Title IV Regulation. The Financial Aid Office is required to calculate the amount of federal funds earned by the student up to the point of withdrawal and students will be billed and must repay any federal funds received but not earned.

If the student owes a repayment of federal and/or state financial aid funds due to withdrawal of a class or Return to Title IV regulation, a hold will be placed on the student’s academic record until the debt is repaid. A hold on the academic record will mean a student will not be able to register for classes for a subsequent semester, obtain a copy of their academic transcripts and receive other college services.

Nonpayment of the unearned amount will be reported to the United States Department of Education for collection. The college is also required to report grant overpayments to the National Student Loan Database System (NSLDS) which will result in the denial of future financial aid at all colleges and universities.

If a student is considering withdrawing from classes, please contact the Financial Aid Office first. We may be able to provide you advice that will help avoid a repayment.

Scholarships

Throughout the year, the college receives announcements on scholarship opportunities. The focus of each scholarship is different; some require good grades, some require financial need, and some are awarded to students who are majoring in certain area of study. The Financial Aid Office has a listing of current scholarship offerings. Interested students are urged to go to the Financial Aid Office for information and assistance or visit the Scholarship website at www.piercecollege.edu/offices/financial_aid/scholarships.asp

2016-2017 Cost of Attendance

In order to treat all students equally, standardized budgets (Cost of Attendance) are established and applied to all applicants. This means all students with similar circumstances will receive the same allowance for tuition and fees, books and supplies, room and board, personal expenses and transportation.

The cost of attendance is based on the Student Expenses and Resources Survey (SEARS) data and updated for three years of inflation using the estimated California Consumer Price Index.

The following table shows the estimated 2016-2017 9-month Cost of Attendance budget for a CA resident student living at home with parents and a CA resident student living away from parents:

*Non-resident tuition will be added to the Cost of Attendance for students who are non-residents.

*Child care cost of $1,000 per academic year will be added to the Cost of Attendance to students who qualify.

The financial aid office may also add the following to a student’s cost of attendance, if applicable:

- Non-resident tuition cost plus $46 enrollment fee
- Child Care cost - $1,000 annually
- Direct Loan Origination/Insurance Fee - determined annually

**Expected Family Contribution**

Students and/or their parent(s) are expected to contribute something to the cost of higher education. Parental and/or student contribution (EFC) are determined from the information reported on the FAFSA and take into account the resources available such as income, assets, liabilities, size of family, number in college, taxes paid, etc.

**Regular Office hours:**

- Monday & Tuesday: 8:00am to 4:00pm
- Wednesday & Thursday: 8:00am to 6:00pm
- Friday: 8:00am to 12:00 Noon

**Location:** Student Services Building, 2nd Floor

**Phone #:** 818-710-6428  **FAX #:** 818-704-8221

**Website:** http://www.piercecollege.edu/offices/financial_aid/

**Email:** pierce_finaid@piercecollege.edu

**Health Services**

A variety of health services are available at the Student Health Center located on the second floor of the Student Services Building. The Health Center provides first aid, crisis intervention, health assessment, health counseling, health referrals and health information. Students are welcome to drop in or call 818-710-4270 for an appointment to see a physician, the college nurse, nurse practitioner or psychologist.

The Student Health Center can provide low cost family planning services, extensive gynecological care, and the testing for, diagnosis of, and treatment of sexually transmitted diseases. Most bacterial infections can be treated with low-cost antibiotics that the Health Center can supply. Free condoms and over-the-counter medications are also provided on an as needed basis.

Consultation and/or referral regarding personal and emotional problems affecting a student’s educational progress are available through the Student Health Center. In addition, a licensed psychologist is available to students for short-term personal counseling. Appointments are made through the Health Center at 818-710-4270.

It is strongly urged that an identifying emblem be worn by persons with any medical problems or allergies. Students with known physical impairments must limit enrollment to courses in which they may participate with safety.

Students are encouraged to obtain a medical insurance plan. A Certified Covered CA/Medi-Cal educator/enroller is now available every Monday at the Student Health Center. Students can call the Health Center at 818-710-4270 for an appointment to get their questions answered and to get enrolled in a health insurance plan that best suits their needs. Students can also go to www.coveredca.com or www.piercecollege.edu/offices/health_center for more information.

Students who need medical assistance when the Student Health Center is closed should contact the Campus Sheriff at 818-710-6450.

Students participating in competitive sports are required to have a physical exam. The Health Center is not able to offer sports physicals based on restrictions found in the Education Code. Students should contact their coach/trainer for information regarding athletic physicals.

Pierce College does NOT require vaccinations to enroll; however, some programs may require certain immunizations. Please call the Health Center at (818) 710-4270 for specific vaccines available or check our website at www.piercecollege.edu/offices/health_center for additional information.

**Communicable Disease/AIDS Information**

Information on communicable diseases/AIDS can be obtained in the Student Health Center. Staff and students will also be referred to off-campus agencies. Information may also be obtained from the County Health Department. Free and confidential HIV testing is available on campus during AIDS/HIV Awareness Week in the fall and spring semesters. Contact the Health Center for more information at 818-710-4270.
**Instructional Media Center**

The Instructional Media Center is located in the Media Center Building 1800. Office hours are Monday through Thursday, 8:00 a.m. - 10:00 p.m.; Friday, 8:00 a.m. - 3:45 p.m. and Saturday 8:00 a.m.- 1:00 p.m.

Students may receive supplemental instruction in language, history, media arts, and other disciplines using the Media Center’s library of audio and videotapes. Faculty may check out instructional materials such as VHS tapes and DVD’s for use in their classes, as well as mobile media carts for classroom presentations. Students are encouraged to supplement their studies by using the services of the Instructional Media Center.

**Intercollegiate Athletics**

Intercollegiate Athletics are an integral part of the total college program. Men and women compete in the Western States Conference in a variety of sports. The sports offered for men are baseball, basketball, football, swimming, tennis and volleyball. The sports offered for women are soccer, softball, swimming, volleyball, water polo, and basketball. All questions pertaining to athletic eligibility should be directed to the Director of Athletics at (818) 719-6421.

**International Students (Non-Immigrant/F-1 Visa)**

Pierce College defines an “international student” as a person who is attending the college while on an F-1 Student Visa. The international student application is available in the International Student Admissions Office (Student Services Building – 2nd floor) and online: [http://www.piercecollege.edu/offices/international_students/](http://www.piercecollege.edu/offices/international_students/).

Applications must be submitted by the deadline dates as stated in the Schedule of Classes Calendar.

The International Student Services Office (Student Services Building – 2nd floor) provides the following support for current students: orientations, workshops, F-1 visa status advisement, document preparation and academic counseling.

In order to maintain F-1 visa status, all international students are required to complete a full-course load (12 units) every fall and spring semester. Students must receive written authorization from a Designated School Official (DSO) before dropping below a full-course load. Winter and summer sessions are optional.

F-1 Visa students from other schools may be eligible to enroll at Pierce College on a limited basis. Please consult with the International Student Admissions Office before enrolling.

**Library**

The college library has a collection of more than 200,000 books which include over 100,000 eBooks. The library subscribes to approximately 150 print magazines, journals, and newspapers as well as 60 online databases.

The library web page, located at: [http://library.piercecollege.edu](http://library.piercecollege.edu), provides links to Subject Guides, book catalog, online articles, and much more.

Enrolled Pierce students are able to borrow library materials by presenting their current Pierce student I.D. card. Library policies and regulations are posted in the library and on the web page.

The library is located on the second floor of the Library Learning Crossroads building (5200). With over 58,000 square feet, the library includes study carrels, group study rooms, comfortable seating, WiFi, computers and two Copy Tech rooms.

Professional librarians are always available to teach search strategies to students and help them with their research needs. Students should consider the library their first and best source of information resources.

Please visit the Library website or call (818) 719-6409 for hours and additional information.

**Student Clubs & Organizations**

Approximately 40 campus clubs and organizations have open membership to students who are members of the Associated Students Organization. Service clubs, special interest clubs, department-related organizations, and religious clubs offer a variety of opportunities for student involvement.

The club program is coordinated by the Associated Students Organization through the Club Council. Clubs which have been active at Pierce during the past semesters include: Alpha Gamma Sigma; Anthropology Club; Boots and Saddles Club; Christian Bible Study; Cinema Club; Dance Club; French Club; Gay Straight Alliance (GSA); Geology Club; International Students Club; Parents Club; Phi Theta Kappa; Philosophy Club; Pierce Hillel; Pre-Vet Club; Sampuso Filipino-American Club; Sign Language Club; Sociology Club and Student Veteran Organization.

Information on clubs is available in the Associated Students Office under the Library in the Library Learning Crossroads Building (LLC).

**Associated Students Organization (ASO)**

The students of Pierce govern their own affairs through the organization known as the Associated Students Organization (A.S.O.). Each student who enrolls at the college may become a member. The Associated Students Organization provides a framework for many college student activities. Through active participation in student government and clubs, the student renders service, increases social and cultural awareness, improves leadership abilities, and creates a close association with other students. Students are encouraged to serve on campus and A.S.O. committees. For information visit the Associated Students Office under the Library in the Library Learning Crossroads Building (LLC).

The ASO leases the student parking lots from the Los Angeles Community College District (LACCD). This arrangement allows the ASO to offer “preferred parking” permits to ASO members. When you purchase a “preferred parking” permit, the benefits include 1) the freedom to park in more convenient locations, 2) the opportunity to support the ASO and student activities at Pierce College, and 3) the ability to take advantage of various student discounts on campus.

**Veterans Services**

Veterans applying for Veterans Administration (VA) educational benefits are responsible for knowing the VA eligibility requirements and regulations. Eligibility for VA educational benefits can only be determined by the U.S. Department of Veterans Administration. Before we can certify enrollment for benefits, veterans must meet the college admission requirements and supply the college with copies of official transcripts from previous training. The amount of VA educational benefits awarded is determined by the U.S. Department of Veterans Administration and is based on monthly enrollment for specific courses which are applicable toward an approved VA objective. Monthly rates may be accessed at [www.gibill.va.gov](http://www.gibill.va.gov).

Please note that the application process for Veterans Educational Benefits is different for new students who have never received benefits before from continuing/transfer students who have already initiated benefits. Applications for benefits may be obtained from the U.S. Veterans Administration or from the Veterans Office.

The Veterans Office is located in the Office of Financial Aid, Scholarships & Veterans in the Student Services Building, 2nd floor. The phone number is (818) 710-3316. Also, visit the Veterans website at [www.piercecollege.edu/offices/financial_aid/veterans.asp](http://www.piercecollege.edu/offices/financial_aid/veterans.asp). Or e-mail at pierce-veteran@piercecollege.edu.

**Office Hours**

Monday through Thursday, 8:00am– 4:00pm

Friday, 8:00am– 12:00pm
Grading Policies and Standards

Attendance
Only students who have been admitted to the College and are in approved active status may attend classes.

Students are expected to be in class on time and to remain for the entire class period. Medical appointments, work, job interviews, childcare responsibilities, etc. should be arranged so as not to occur during class time. Please do not make requests for exceptions.

Any student who has unexcused absences equaling one week’s worth of class time prior to census date may be excluded. Students may drop the class online, before the last day to drop. Students should never rely on the instructor to exclude them. Do not call the college offices to report absences; call the course instructor.

By the last day to add the class, students are responsible to inform the instructor of any anticipated absences due to observance of major religious holidays so that alternative arrangements may be made. Failure to do so may result in an inability to make other arrangements or a lower grade.

Students who are registered in a class and miss the first meeting may lose their right to a place in the class, but the instructor may consider special circumstances. Instructors will generally only exclude students through the census date for non-attendance. It is the student’s responsibility to drop classes in time to avoid fees and/or grades of “W”.

Grading Symbols and Definitions
Only the symbols in the grading scale given in this section shall be used to grade all courses offered in fulfillment of the requirements for an associate or baccalaureate degree, a certificate, diploma, or license.

Grades shall be averaged on the basis of the point equivalencies to determine a student’s grade-point-average, using the following evaluative symbols:

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
<th>GRADE POINT</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Less than satisfactory</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0</td>
</tr>
<tr>
<td>P</td>
<td>Pass (formerly Credit)</td>
<td>(at least equal to a “C” grade or better – units awarded are not counted in GPA)</td>
</tr>
<tr>
<td>NP</td>
<td>No Pass (formerly No-Credit)</td>
<td>(equal to a “D” or “F” grade– units are not counted in GPA)</td>
</tr>
</tbody>
</table>

(P and NP grades may be given only in courses authorized by the District Pass/No-Pass (formerly Credit/No Credit) Option and Credit by Examination Policies.)

The following non-evaluative symbols may be entered on a student’s record:

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>I</td>
<td>Incomplete</td>
</tr>
</tbody>
</table>

Incomplete academic work for unforeseeable emergency and justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s record. The condition for removal of the “I” shall be stated by the instructor in a written record.

This record shall contain the conditions for removal of the “I” and a default grade to be assigned if missing work is not completed within one year from the end of the course. This record shall be given by the instructor, with a copy on file in the College Admissions Office until the “I” is made up or the one-year time limit has passed.

A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the one-year time limit for completing the work has passed.

The “I” symbol shall not be used in calculating units attempted nor for grade points. THE “I” MAY BE MADE UP NO LATER THAN ONE YEAR FOLLOWING THE END OF THE TERM IN WHICH IT WAS ASSIGNED. The student may petition for a time extension due to unusual circumstances.

Note: Courses in which the student has received an Incomplete (“I”) may not be repeated unless the “I” is removed and has been replaced by a grade of “D” or “F”. This does not apply to courses which are repeatable for additional credit.

Symbol Definition

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>IP</td>
<td>In Progress</td>
</tr>
</tbody>
</table>

The “IP” symbol shall be used only in those courses which extend beyond the normal end of an academic term. “IP” indicates that work is “in progress,” but that assignment of a substantive grade must await its completion. The “IP” symbol shall remain on the student’s permanent record in order to satisfy enrollment documentation. The appropriate evaluative grade and unit credit shall be assigned and appear on the student’s record for the term in which the required work of the course is completed. The “IP” shall not be used in calculating grade-point-averages. If a student enrolled in an “open-entry, open-exit” course is assigned “IP” at the end of an attendance period and does not complete the course during the subsequent attendance period, the appropriate faculty will assign an evaluative symbol (grade) as specified above to be recorded on the student’s permanent record for the course.

Symbol Definition

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>RD</td>
<td>Report Delayed</td>
</tr>
</tbody>
</table>

The “RD” symbol may be assigned by the registrar only. It is to be used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent symbol as soon as possible. “RD” is not used in calculating grade point averages.

Symbol Definition

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DEFINITION</th>
</tr>
</thead>
<tbody>
<tr>
<td>W</td>
<td>Withdrawal</td>
</tr>
</tbody>
</table>

Students may withdraw from a class or classes through 75% of the time the class is scheduled to meet. To withdraw, use the online system or the Pierce College website.

No notation (“W” or other) shall be made on the record of a student who withdraws before the no penalty drop date. The date is listed in the schools term calendar, under last day to drop without a “W”.

Withdrawal between the no penalty drop date (last day to drop without a “W”) and 75% of the time the class is scheduled, will result in a grade of “W”. A student who remains in class beyond 75% of the time the class is scheduled shall be given a grade other than a “W”, except in cases of extenuating circumstances.

After 75% of the time the class is scheduled, the student may withdraw from class upon petition demonstrating extenuating circumstances and after consultation with the appropriate faculty. Students can download the petition online from the Admissions website under “forms”. Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student. Withdrawal after 75% of the time the class is scheduled, which has been authorized in extenuating circumstances shall be recorded as “W”.

The “W” shall not be used in calculating units attempted nor for the student’s grade-point-average.
“W’s” will be used as factors in progress probation and dismissal.

SYMBOL DEFINITION

MW  Military Withdrawal

“Military withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon petition from the student and verification of such orders, a “MW” may be assigned at any time after the no penalty drop date (last day to drop without a “W”). No notation (“W” or other) shall be made on the records of a student who withdraws before the no penalty drop date. Enrollment fees will be refunded with military withdrawals. Military withdrawals shall not be counted in progress probation and dismissal calculations.

SYMBOL DEFINITION

P/NP  Pass/No Pass
(Formally Credit/No Credit)

The College President may designate courses in the College Catalog wherein all students are evaluated on a “Pass/No Pass” basis or wherein each student may elect, no later than the end of the first 30% of the term, whether the basis of evaluation is to be “pass/no pass” or a letter grade. These courses will be noted in the College Schedule as being eligible for the Pass/No Pass option.

1. USAGE FOR SINGLE PERFORMANCE STANDARD. The pass/no pass grading system shall be used in any course in which there is a single satisfactory standard of performance for which unit credit is assigned. A grade of Pass (P) shall be assigned for meeting that standard, and a grade of No-Pass (NP) shall be assigned for failure to do so.

2. ACCEPTANCE OF CREDITS. All units earned on a “Pass/No Pass” basis in accredited California institutions of higher education or equivalent out-of-state institutions shall be counted in satisfaction of community college curriculum requirements.

3. RECORDING OF GRADE. A student who is approved to be evaluated on the “Pass/No Pass” basis shall receive both course credit and unit credit upon satisfactory completion of the course. Satisfactory completion for credit is equivalent to the grade of “C” or better. A student who does not perform satisfactorily will be assigned a “No-Pass” (NP) grade.

4. GRADE POINT CALCULATION. Units earned on a “Pass/No Pass” basis shall not be used to calculate grade-point-averages. However, units attempted for which “No Pass” (NP) is recorded shall be considered in probationary and dismissal procedures.

5. STANDARDS OF EVALUATION. The student who is enrolled in a course on a “Pass/No Pass” basis will be held responsible for all assignments and examinations required in the course and must meet the standards of evaluation which are identical for all students.

6. CONVERSION TO LETTER GRADE. A student who has received credit for a course taken on a “Pass/No Pass” basis may not convert this credit to a letter grade.

7. COURSE REPETITION. A student who has received a grade of “No Pass” (NP) may repeat the course by meeting the requirements set forth by the District Course Repetition to Improve Substandard Grades Policy.

8. CAMPUS PROCEDURE

- Certain courses, noted in the Schedule of Classes, are evaluated on a Pass/No Pass basis only. Letter grades may not be assigned for these courses.
- In addition to courses mentioned above, a student has the option of selecting one course per semester to be graded on a Pass/No Pass basis. This option is available only for courses listed in the Schedule of Classes under “Courses Offered on a Pass/No Pass Basis.”

- Selection of courses to be taken on a Pass/No Pass basis must be made during the time indicated in the schedule. Late requests will not be accepted.
- Once a course has been selected to be graded on a Pass/No Pass basis, a student cannot receive a letter grade for the course. The decision to take a course on this basis is irrevocable.
- The general practice at most four-year colleges is not to accept “Pass/No Pass” grades for courses required for the major or preparation for the major. A student planning to transfer to UCLA is required to have at least 42 units in regular letter grades.

Probation

A student shall be placed on probation if any one of the following conditions prevail:

- ACADEMIC PROBATION. The student has attempted a minimum of 12 semester units of work and has a grade-point-average less than a “C” (2.0).
- PROGRESS PROBATION. The student has enrolled in a total of at least 12 semester units and the percentage of all units in which a student has enrolled and for which entries of “W” (Withdrawal), “I” (Incomplete), and “No Pass” (NP), formerly No Credit are recorded reaches or exceeds fifty percent.
- TRANSFER STUDENT. The student has met the conditions of academic or progress probation at another college within the Los Angeles Community College District.

Dismissal

1. A student on academic probation may be DISMISSED from the College if the cumulative GPA is less than 2.0 in all units attempted in each of three consecutive semesters.

2. A student on progress probation may be DISMISSED from the College if the cumulative percentage of “W,” “I,” and “NP” grades are 50% or greater in each of three consecutive semesters.

Dismissal from any college in Los Angeles Community College District shall then disqualify a student from admission to any other college in the district for a period of one year, after which a student may be readmitted by petition.

New rules about the number of times you can attempt a course

Effective Summer 2012, course withdrawal (“W”) and/or a substandard grade (“D,” “F,” or “NP”) count as an attempt at a course. Only three attempts at any one course will be allowed, with some exceptions. Listed below are the new rules that all students need to know about.

Students who drop or are excluded after the last day to drop without a grade of “W” will have a “W” appear on their transcript. The “W” will count as an attempt for that course.

A course in a student’s transcript which currently shows a recorded “W” counts as an attempt for that course.

Students will not be allowed to register for any course within the LACCD if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.

Add permits for a course within the LACCD will not be processed if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.

For courses specifically designated as “repeatable,” students may repeat up to three times. (See Title 5 California Code of Regulations sections 55040, 55041, 58161).

When the student’s number of enrollments in a course exceeds the allowable amount, the student may petition for an additional enrollment in cases of extenuating circumstances.
What students should do:

- Be sure you are academically ready for classes you enroll in.
- If you must drop a course, drop before the specified deadline for dropping a class without a grade of "W."
- See a counselor before making decisions that could affect your educational plan.

Course Repetition: Special Circumstances

a. Repetition of courses for which a satisfactory grade ("A", "B", "C", "CR", "P") has been recorded shall be permitted only upon advance petition of the student and with the written permission from the college president, or designee, based on a finding that extenuating circumstances exist which justify such repetition or that there has been a significant lapse of time since the student previously took the course. Significant lapse of time is defined as no less than 36 months since the most recent grade was awarded.

b. When course repetition under this section occurs, the student’s permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.

c. Grades awarded for courses repeated under the provisions of subsection “a” and “b” of this section shall not be counted in calculating a student’s grade point average.

d. When such repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment, such courses may be repeated for credit any number of times, and the grade received each time shall be included for purposes of calculating the student’s grade point average. The college shall establish policies and procedures requiring students to certify or document that course repetition is necessary to complete legally mandated training pursuant to this subsection.

The college’s process for certification or documentation of legal training requirements shall be developed in accordance with the provisions of Chapter XVIII of the Board Rules – ACADEMIC SENATE AND BOARD OF TRUSTEES SHARED GOVERNANCE POLICY.

e. A student may repeat any course if the college has properly established a recency prerequisite for a course, if there has been "significant lapse of time." In no instance shall this be less than three years.

f. A student with a disability may repeat a class any number of times, if such repetition is required as a disability-related accommodation for that particular student.

(Board Rule 6704.30. See Title 5, C.C.R., Sections 55763 and 58161)

Academic Honors

This policy is adopted for use in the Los Angeles Community College District only. Other institutions may differ and students planning to transfer to another college should contact that institution regarding its policy.

Awards

Graduating students of outstanding personality, scholarship, and leadership are recognized through the yearly presentation of awards within the several departments of the College. Recipients of these awards are determined through department procedures.

President’s Honor List

Students who have appeared on the Full-time or Part-time Dean’s Honor List for three or more consecutive semesters will be placed on the President’s Honor List. A notation of this award will appear on the student’s transcript.

Dean’s Honor List

Each semester a list is published containing the names of students who have completed 12 or more units of graded classes (Pass/No Pass and incompletes are not included) during the preceding semester with a grade-point average of 3.5 or better. Part-time students may also receive recognition through the Part-time Dean’s List, which honors students who have completed a minimum of 12 graded units at Pierce and 6 to 11 units of graded course work with a GPA of 3.5 or better in the current semester. For more details about the Part-time Dean’s List, contact the Admissions and Records Office. A notation of this award will appear on the student’s transcript.

President’s Award

A perpetual trophy and scholarship have been donated by the Associated Student Organization to the College President so that one or two outstanding graduating students can be recognized. The student must have maintained a 3.0 GPA for all college work, successfully participated in co-curricular activities, demonstrated leadership, served both the College and the community, and exhibited desirable personal qualifications.
Transfer Information

The Transfer Center
The Pierce College Transfer Center has resources and services to make the transition from Pierce to a four-year college/university easier. Representatatives from many public and private universities, including UCLA, CSUN, CSU Los Angeles and UC San Diego meet regularly with prospective students to advise them regarding admissions, program planning, and other support services.

For additional information on these and other transfer-related activities, visit the Transfer Center on the first floor of the Student Services Building. You can also contact the Transfer Center at (818) 710-4126. and view all transfer related information online at www.piercecollege.edu/transfer.

Transfer Information Websites:
As a student, the Internet is one of your most important resources for transfer information. We have workstations available to use in our center if you don’t have internet access at home. So, please stop by and let us help.

You can use the Pierce College Transfer website as a portal to transfer information for the UC’s, CSU’s, privates and out-of-state colleges and universities:

Pierce College Transfer Website: www.piercecollege.edu/transfer
University of California Transfer Information: uctransfer.universityofcalifornia.edu
California State University Transfer Information: CSU Mentor: www.csumentor.edu

California Private and Independent Transfer Information:
AICCU: www.aiccu.edu

Which courses transfer?
California Public Institutions: UC and CSU
Assist: As a prospective transfer student, it is important to make sure that the community college courses you take are acceptable to the university for transfer credit. Assist is California’s official statewide repository of transfer information for the California State University and University of California systems. www.assist.org

Pierce College and University of California Transfer Partnerships
Pierce has Transfer Admission Guarantees with many UC campuses. Complete details can be found at uctransfer.universityofcalifornia.edu

Pierce College and California Private Institution Transfer Partnerships
Through the Pierce Honors Program, we have transfer agreements with some private universities. The requirements for the Honors program at Pierce, as well as additional information, can be found on the Pierce College Transfer website or at the Honors Office.

Develop an Educational Plan
The most important action you can take to ensure success is to meet early with a Pierce counselor and develop an educational plan. This plan will include courses you need to meet transfer requirements. Using and updating an educational plan throughout your attendance at Pierce will ensure the most direct path to transfer and earning a baccalaureate degree.

The Counseling Center
Prospective transfer students are encouraged to meet with a counselor in order to develop and refine educational plans and career goals. Each counselor is well-equipped to assist students in planning transfer-related coursework.

In addition to serving students in the Counseling Center, the counseling staff offers a number of Personal Development courses as part of the College’s curriculum. These courses include skill-building activities to enhance program planning, personal and professional development, study and time management skills, and strategies for problem solving and decision-making. Please refer to the Personal Development section of Course Descriptions in this catalogue for additional information.

The Counseling Center is located on the first floor of the Student Services Building.

General Education Agreements
The California State University and the University of California systems have developed system-wide general education agreements which enable community college transfer students to complete lower division courses that satisfy general education requirements at many CSU’s and UC’s.

See the CSU GE Certified Plan and IGETC.
Associate Degree Requirements

The Associate in Arts (AA) and Associate in Science (AS) Degrees Have The Following Common Requirements (Title 5 section 55063)

1. Unit Requirement: A minimum of 60 semester units in degree applicable courses.

2. General Education Requirement: For every major, students must complete a series of courses that make up the general education requirement of the degree.

   While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major requirement.

   Policy on general education fulfillment for students with prior degree: Local Los Angeles Community College District associate degree general education requirements (Plans A and B) are fully satisfied by students who have an Associate, Baccalaureate or higher degree from a United States regionally accredited institution. (Pierce Curriculum Committee 05/14/2010)

   - Communication: The student will demonstrate proficiency in communication skills, including active listening, textual interpretation and comprehension, and oral and written expression.
   - Critical Thinking: The student will demonstrate proficiency in identifying and clarifying issues, problems, questions, and assumptions; analyzing data and relevant information including alternative approaches; differentiating between facts, opinions, and biases; synthesizing and generating solutions and possible outcomes; and using evidence and reasoning to support conclusions.
   - Research and Information Literacy: The student will demonstrate proficiency in modes of inquiry specific to the discipline of study and discernment of relevant and appropriate sources of information.
   - Civic Responsibility and Ethical Reasoning in a Diverse Society: The student will demonstrate proficiency in understanding, and engaging with, contemporary notions of the public good in a democratic and diverse society and the relevant principles, concepts, and arguments that guide ethical decision-making.
   - Quantitative Analysis and Scientific Reasoning: The student will demonstrate proficiency in the interpretation and description of quantitative data and situations and relevant graphs, symbols, or mathematical relationships and concepts to solve problems.
   - Arts & Cultural Awareness: The student will demonstrate proficiency in the identification, recognition, description, and explanation of his or her interaction with, and understanding of, cultural practices and social structures.

3. Major Requirement: In addition to the general education requirements, each degree requires a major.

   Effective for students admitted to a community college for the fall 2009 term, or any term thereafter, each course counted toward the major requirement must be completed with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.

   A course may be used to satisfy both a general education requirement and a major requirement.

4. Scholarship Requirement: A minimum “C” (2.0) cumulative grade point average in all courses used toward the degree.

5. Residency Requirement: (Board Rule 6201.13) A minimum of 12 of the units used toward the degree must be completed in residence at Pierce College.

6. Competency Requirement: (LACCD E-79)

The following courses and examinations are approved to meet the competency requirement for the Associate Degree for all students entering Fall 2009, or any term thereafter, as defined in Board Rule 6201.12.

Mathematics Competency

The competency requirement in mathematics for the Associate Degree may be met by completion of one of the following:

1. Completion of one of the following courses (or its equivalent at another college) with a grade of “C” or better:
   - Mathematics 125 or any higher-level mathematics courses with a prerequisite of at least mathematics 125 or its equivalent.
   OR
   OR
3. A score of 3 or higher on one of the following AP Exams:
   - Calculus AB
   - Calculus BC
   - Statistics

4. Complete the college assessment exam in mathematics and achieve a score determined comparable to satisfactory completion of intermediate algebra (Mathematics 123C, 124 A & B, 125, or 127 & 128). That is, students who place into a mathematics course above the level of intermediate algebra have met the competency requirement.

Reading & Written Expression Competency

The competency requirement in reading and written expression for the Associate Degree may be met by completion of one of the following:

1. Completion of English 101 (or its equivalent at another college) with a grade of “C” or better.
   OR
2. A score of 3 or higher on one of the following AP Exams:
   - English Language and Composition
   - English Composition and Literature
   OR
3. Competency may be met through English 101 credit-by-exam. See Credit-by-Exam policy section of this catalog for requirements.
The requirements of the Associate degree are grouped into the following three parts.

**Part 1  General Education (GE) PLAN**

The general education path you pick depends on whether or not you plan to transfer, and what major you are choosing. If you already know your major, you may want to do Parts 1 and 2 simultaneously.

**Which plan should you choose?**
The choice of general education plans is listed with each major on the following pages.

- **LACCD GE – General Studies General Education Plan**
  This associate-level general education plan is appropriate for students planning to obtain an associate degree, but does not necessarily prepare students to transfer and earn a baccalaureate degree.

- **CSU GE – CSU General Education Breadth Certification Plan**
  This baccalaureate-level general education plan fulfills the associate degree general education requirements and is accepted as fulfillment of lower-division general education requirements at all California State University campuses

- **IGETC – IGETC Plan (Intersegmental General Education Transfer Curriculum)**
  This baccalaureate-level general education plan fulfills the associate degree general education requirements and is accepted as fulfillment of lower-division general education requirements at all University of California and California State University Campuses.

**Part 2  Major**

Follow the requirements for a Major. Degree and Certificate programs are listed on the following pages.

**Part 3  Electives**

Pick Associate degree applicable courses as needed to reach 60 units.

Transfer Students

Completing the Associate Degree does not necessarily meet the university-admission requirements for transfer. An Associate Degree is not a requirement for transfer to either the CSU or UC campuses. Private and out-of-state colleges and universities have unique transfer requirements. However, if you would like to transfer to a university and earn an associate degree, early educational planning can make this goal achievable. Degrees with an AA-T or AS-T designation allow students to transfer to a California State University as an upper division student. You should meet with a counselor early in your studies to develop an Educational Plan that fulfills both transfer requirements and associate degree requirements.

Procedure For Requesting the Degree

You must file a petition for the degree in the Graduation Office. Please check the Graduation Office for deadlines. If you have completed coursework at other schools that you believe meets some of your degree requirements, you may petition for course substitution with a Pierce counselor.

**CSU Graduation Requirement In U.S. History, Constitution & American Ideals**

*CSU Requirement only.

NOT PART OF CSU, BUT MAY BE COMPLETED PRIOR TO TRANSFER. For CSU GE certification purposes, courses used to satisfy this CSU graduation requirement may also be used to satisfy CSU GE Plan Subject Area D. However, if a course(s) is used to satisfy both an CSU GE subject-area requirement and the CSU United States History, Constitution and American Ideals graduation requirement, some CSU campuses may require students to take an additional course(s) after transfer. CSUN will NOT require an additional course(s). Other CSU campuses should be consulted directly regarding their policy.

*This requirement may be met before or after transfer to the CSU.

*If a course is approved for more than one US Area, a student may use the course to satisfy all areas listed.

US-1: Economics 10; History 11, 12, 13, 41, 42, 43, 44, 52

US-2: Political Science 1, 19

US-3: Political Science 1, 19, 30

CSU Requirement only.

NOT PART OF IGETC, BUT MAY BE COMPLETED PRIOR TO TRANSFER. For IGETC certification purposes, courses used to satisfy this CSU graduation requirement may also be used to satisfy IGETC Subject Areas 3 and/or 4. However, if a course(s) is used to satisfy both an IGETC subject-area requirement and the CSU United States History, Constitution and American Ideals graduation requirement, some CSU campuses may require students to take an additional course(s) after transfer. CSUN will NOT require an additional course(s). Other CSU campuses should be consulted directly regarding their policy.

*This requirement may be met before or after transfer to the CSU.

*If a course is approved for more than one US Area, a student may use the course to satisfy all areas listed.

Degree and Certificate Programs

Associate of Arts (AA) or Associate of Science (AS)
Pierce offers a wide variety of programs that are listed on the following pages. Please refer to the previous section, Associate Degree Requirements for a description of our degree options. Students should consult with a counselor to ensure that they are completing the coursework that best meets their educational goal.

Associate of Arts for Transfer (AA-T) or Associate of Science for Transfer (AS-T)
California Community Colleges are now offering associate degrees for transfer to the CSU. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. Please refer to the previous section, Associate Degree Requirements for a description of our degree options. To view the most current list of Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to http://www.sb1440.org/counseling.aspx. Current and prospective students are encouraged to meet with a Pierce counselor to review their options for transfer and to develop an educational plan that best meets their goals.

Certificate of Achievement (C)
Pierce offers many state approved certificate programs that give students training in specific job skills. A grade of C or better is required in each course and at least 50% of the units required for the certificate must be completed in residence at Pierce College. In addition, students may request certificate of achievements in The CSU GE Breadth Certification general education plan or the Intersegmental General Education Transfer Curriculum (IGETC).

Student Responsibility
The suggested sequence of courses in each program is the most desirable to follow; but the order may be changed, if necessary, as long as prerequisites are met. It is the student’s responsibility to meet course prerequisites and graduation requirements. The general education and physical education requirements for the Associate Degrees are listed in the “Associate Degree Requirements” section of this catalog.

Associate Degree Requirements and Procedures
Refer to Associate Degree requirements and procedure for requesting a degree.

Transfer Students
Completing the Associate Degree does not necessarily meet the university-admission requirements for transfer. An Associate Degree is not a requirement for transfer to either the CSU or UC campuses. Private and out-of-state colleges and universities have unique transfer requirements. However, if you would like to transfer to a university and earn an associate degree, early educational planning can make this goal achievable. Degrees with an AA-T or AS-T designation allow students to transfer to a California State University as an upper division student. You should meet with a counselor early in your studies to develop an Educational Plan that fulfills both transfer requirements and associate degree requirements.
Standards of Student Conduct

A student enrolling in one of the Los Angeles Community Colleges may rightfully expect that the faculty and administrators of the colleges will maintain an environment in which there is freedom to learn. This requires that there be appropriate conditions and opportunities in the classroom and on the campus. As members of the college community, students should be encouraged to develop the capacity for critical judgment, to engage in the sustained and independent search for truth, and to exercise their rights to free inquiry and free speech in a responsible, non-violent manner. In furtherance of students’ interest in free inquiry and the search for truth, it is also important that students be able to hear the views of non-students and engage in the free exchange of ideas with non-students.

All persons shall respect and obey civil and criminal law, and shall be subject to legal penalties for violation of laws of the city, county, state and nation. All persons shall respect and obey the rules, regulations, and policies of the Los Angeles Community College District.

Conduct in all of the Los Angeles Community Colleges must conform to District and college rules and regulations. Violations of such rules and regulations, may result in disciplinary action depending on the individual’s status as student, faculty, staff or visitor.

Violations of such rules and regulations include but are not limited to the following:

- **BOARD RULE 9803.10**
  WILLFUL DISOBEDIENCE. Willful disobedience to directions of college officials acting in the performance of their duties.

- **BOARD RULE 9803.11**
  VIOLATION OF COLLEGE RULES AND REGULATIONS. Violation of college rules and regulations including those concerning student organizations, the use of college facilities, or the time, place, and manner of public expression or distribution of materials.

- **BOARD RULE 9803.12**
  DISHONESTY. Dishonesty, such as cheating, or knowingly furnishing false information to the colleges.

- **BOARD RULE 9803.13**
  UNAUTHORIZED ENTRY. Unauthorized entry to or use of the college facilities.

- **BOARD RULE 9803.14**
  COLLEGE DOCUMENTS. Forgery, alteration, or misuse of college documents, records, or identification.

- **BOARD RULE 9803.15**
  DISRUPTION OF CLASSES OR COLLEGE ACTIVITIES. Obstruction or disruption of classes, administration, disciplinary procedures, or authorized college activities.

- **BOARD RULE 9803.16**
  THEFT OF OR DAMAGE OF PROPERTY. Theft of or damage to property belonging to the College, a member of the college community, or a campus visitor.

- **BOARD RULE 9803.17**
  INTERFERENCE WITH PEACE OF COLLEGE. The malicious or willful disturbance of the peace or quiet of any of the Los Angeles Community Colleges by loud or unusual noise, or any threat, challenge to fight, fight, or violation of any rules of conduct as set forth in this Article. Any person whose conduct violates this section shall be considered to have interfered with the peaceful conduct of the activities of the college where such acts are committed.

- **BOARD RULE 9803.18**
  ASSAULT OR BATTERY. Assault or battery, abuse, or any threat of force or violence directed toward any member of the college community or campus visitor engaged in authorized activities.

- **BOARD RULE 9803.19**
  ALCOHOL AND DRUGS. Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230, any use of controlled substances the possession of which are prohibited by the same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District or while participating in any District or college-sponsored function or field trip.

  “Controlled substances,” as used in this section include, but are not limited to, the following drugs and narcotics:
  a. opiates, opium and opium derivatives
  b. mescaline
  c. hallucinogenic substances
  d. peyote
  e. marijuana
  f. stimulants and depressants
  g. cocaine

- **BOARD RULE 9803.20**
  LETHAL WEAPON. Possession, while on a college campus or at a college-sponsored function, of any object that might be used as a lethal weapon is forbidden to all persons except sworn peace officers, police officers and other governmental employees charged with policing responsibilities.

- **BOARD RULE 9803.21**
  DISCRIMINATORY BEHAVIOR. Behavior while on a college campus or at a college-sponsored function, inconsistent with the District’s non-discrimination policy, which requires that all programs and activities of the Los Angeles Community College District be operated in a manner which is free of discrimination on the basis of race, color, national origin, ancestry, religion, creed, sex (including gender-based sexual harassment), pregnancy, marital status, sexual orientation, age, handicap or veterans status.

- **BOARD RULE 9803.22**
  UNLAWFUL ASSEMBLY. Any assemblage of two or more persons to 1) do an unlawful act, or 2) do a lawful act in a violent, boisterous or tumultuous manner.

- **BOARD RULE 9803.23**
  CONSPIRING TO PERFORM ILLEGAL ACTS. Any agreement between two or more persons to perform illegal acts.

- **BOARD RULE 9803.24**
  THREATENING BEHAVIOR. A direct or implied expression of intent to inflict physical or mental/emotional harm and/or actions, such as stalking, which a reasonable person would perceive as a threat to personal safety or property. Threats may include verbal statements, written statements, telephone threats or physical threats.

- **BOARD RULE 9803.25**
  DISORDERLY CONDUCT. Conduct which may be considered disorderly includes: lewd or indecent attire or behavior that disrupts classes or College activities; breach of the peace of the College; aiding, or inciting another person to breach the peace of College premises or functions.

- **BOARD RULE 9803.26**
  THEFT OR ABUSE OF COMPUTER RESOURCES. Theft or abuse of computer resources including but not limited to:
  a. Unauthorized entry into a file to use, read, or change the contents, or for any other purpose.
  b. Unauthorized transfer of a file.
  c. Unauthorized use of another individual’s identification and password.
d. Use of computing facilities to interfere with the work of a student, faculty member, or college official, or to alter college or district records.
e. Use of unlicensed software.
f. Unauthorized copying of software. Use of computing facilities to access, send or engage in messages which are obscene, threatening, defamatory, present a clear and present danger, violate a lawful regulation and/or substantially disrupt the orderly operation of a college campus.
g. Use of computing facilities to interfere with the regular operation of the College or District computing system.

• BOARD RULE 9803.27
PERFORMANCE OF AN ILLEGAL ACT. Conduct while present on a college campus or at a location operated and/or controlled by the District or at a District-sponsored event, which is prohibited by local, State, or Federal law.

• BOARD RULE 9804
INTERFERENCE WITH CLASSES. Every person who, by physical force, willfully obstructs, or attempts to obstruct, any student or teacher seeking to attend or instruct classes at any of the campuses or facilities owned, controlled or administered by the Board of Trustees of the Los Angeles Community College District, is punishable by a fine not exceeding five hundred dollars ($500), or imprisonment in a county jail not exceeding one year, or by both such fine and imprisonment. As used in this section, “physical force” includes, but is not limited to, use of one’s person, individually or in concert with others, to impede access to or movement within, or otherwise to obstruct the students or teachers of the classes to which the premises are devoted.

• BOARD RULE 9805
INTERFERENCE WITH PERFORMANCE OF DUTIES BY EMPLOYEES. Every person who attempts to cause, or causes, any officer or employee of any of the Los Angeles Community Colleges or any public officer or employee to do or refrain from doing any act in the performance of his/her duties, by means of a threat to inflict any injury upon any person or property, is guilty of a public offense.

• BOARD RULE 9805.10
ASSAULT OR ABUSE OF INSTRUCTOR. Every parent, guardian, or other person who assaults or abuses any instructor employed by the District in the presence or hearing of a community college student or in the presence of other community college personnel or students, and at a place which is on District premises or public sidewalks, streets, or other public ways adjacent to school premises, or at some other place where the instructor is required to be in connection with assigned college activities is guilty of a misdemeanor.

• BOARD RULE 9806
UNSAFE CONDUCT. Conduct which poses a threat of harm to the individual and/or to others. This includes, but is not limited to, the following types of conduct:
  a. Unsafe conduct in connection with a health services program (e.g., nursing, dental hygiene, etc.).
  b. Failure to follow safety directions of District and/or College staff;
  c. Willful disregard of safety rules as adopted by the District and/or College; and/or
  d. Negligent behavior which creates an unsafe environment.

### Student Discipline Procedures

Community college districts are required by law to adopt standards of student conduct along with applicable penalties for violation (Education Code Sections 66017, 66300, 76030 and 76031). The Los Angeles Community College District has complied with this requirement by adopting Board Rule 9803, Standards of Student Conduct and 91101, Student Discipline Procedures. The purpose of Board Rule 91101 is to provide uniform procedures to assure due process when a student is charged with a violation of the Standards of Student Conduct. All proceedings held in accordance with these procedures shall relate specifically to an alleged violation of the established Standards of Student Conduct.

These provisions do not apply to grievance procedures, student organization councils and courts, or residence determination and other academic and legal requirements for admission and retention. Disciplinary measures may be taken by the College independently of any charges filed through civil or criminal authorities, or both.

Copies of the Student Discipline Procedures are available in the Student Services Office.

### Student Academic Integrity Policy Statement

The faculty and administration of Pierce College are committed to the belief that honesty and integrity are integral components of the academic process. The College expects students to be honest and ethical at all times in their pursuit of academic goals. Students who violate the code of academic conduct by which the College maintains its academic integrity will be dealt with in a manner reflecting the seriousness of these violations.

I. Violations of academic honesty and integrity occur when a student participates in any act in which he/she uses deception or fraud while performing an academic activity. Violations include, but are not limited to, the following:

• Using study aids such as calculators, tape recorders or notes, when not authorized by the instructor.
• Cheating on examinations, assignments or experiments (allowing another student to copy one’s answers or copying the answers of other students; exchanging information by any means, including verbal exchanges, sign language, hand signals, secret codes, passed notes, creation of a distraction for the purpose of cheating; changing answers on a previously scored test, assignment or experiment; inventing information and/or data.)
• Allowing another student to assume one’s identity in order to fulfill an assignment or take a test.
• Submitting for a grade the words, ideas, and/or written work (including laboratory notes and drawings) of another person without giving due credit to that person. This includes purchased papers or papers written by other students.
• Falsifying or attempting to falsify attendance records and/or grade rosters.
• Conspiring with other students to commit any of the above behaviors.

II. Consequences for any offense against academic honesty and integrity may include:

• An “F” or a “0” on the examination or assignment.
• Suspension from the class and other sanctions and/or penalties authorized by the Board of Trustees for violations of the District Code of Conduct.
• A record of the student’s violation placed in the student’s academic record and reported to the employer, professional organization, or College; and/or
• Allowing another student to assume one’s identity in order to fulfill an assignment or take a test.

III. Student’s Right to Appeal

Students have the right to appeal disciplinary actions through the Board of Trustees Discipline procedures. A final grade may be contested through the student grievance procedures.

IV. Reporting a Violation

When an alleged incident of academic dishonesty occurs, it is recommended that a faculty member take the following steps to report the incident:

1. Inform the student and the department chair of the nature of the alleged violation and the impending course of action.
2. Complete the Academic Dishonesty Report Form and submit it, along with any related evidence, to the VP of Student Services or designee. The student should also receive a copy of the form from the instructor within ten (10) working days of the incident.

3. VP of Student Services or designee will forward information about the incident to the Department Chair and the appropriate Dean of Academic Affairs.

4. The V.P. of Student Services or designee will investigate the allegations and recommend any appropriate disciplinary actions.

V. Faculty Responsibilities
In order to maintain an environment free of academic dishonesty, the following recommendations are made to the faculty regarding their responsibility to uphold academic integrity:

- Make every attempt to conduct their classroom in a manner which encourages honorable behavior and learning, to ensure student success and discourage academic dishonesty.
- Inform students of the course requirements, grading procedures and expectations of responsible academic conduct.
- Inform students of the College policy on Academic Integrity and the potential consequences for violations of this policy.
- Inform students of their right to due process should they wish to contest the cheating allegation.

Penalties for Copyright Infringement and Illegal File Sharing
Unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject students to civil and criminal liability. Civil liability for copyright infringement may include payment of monetary damages to the copyright owner. Criminal penalties for copyright infringement may include fines up to $250,000 and imprisonment up to ten years. Students who violate the District’s computing facilities usage policy (LACCD Administrative Regulation B-28) may also be subject to college disciplinary action, including, but not limited to, suspension or expulsion.

**FOR CLASS TIMES NOT LISTED OR IN CASE OF CONFLICTS - PLEASE SEE INSTRUCTOR.**
Instructors may need to consult with their Department Chair and Area Dean to determine final exam times for classes with start times that do not coincide with the standard time blocks listed above.
Would you like to stop smoking? Pierce can help. Students can receive assistance through the Student Health Center at 818-710-4270. Employees can contact their Employee Assistance Program at 800-788-5614 and their health insurance provider.
The Pierce College Village Map provides a layout of the college's facilities. Room activities are subject to change. Please use the most recent updated map. Map is good through July 31, 2016.
